

**1** [UNABRIDGED]

Shall we pray? Heavenly Father, weâ€™re very grateful to know that Youâ€™re here in the form of the Holy Spirit in a way that Youâ€™ve not been here forâ€™for a long long time, Lord when you visited the Apostle Paul on the road to Damascus to bring forth Your Word; hovered Your Church and Its conception; It went away; only fell in Believers with the Holy Ghost even as with Israel, You hovered them. You disappeared. You came back. You came back to the temple. You went away again, and came down in the form of human flesh. We realize that weâ€™re waiting for that great day when once more that human flesh takesâ€™becomes a tabernacle of You, and weâ€™ll crown You King of Kings and Lord of Lords, and we know thatâ€™s true. And we know Lord itâ€™s true for us, because we look for You according to the Scripture.

We thank You for it Lord, that our hope is built on nothing less than the absolute vindicated Word of Almighty God Himself and the Presence of that One Who appeared to Mary; hovered her; and she became the mother of that One we call Jesus Christ the Child. So Lord weâ€™re thankful that weâ€™re in a day that history is being fulfilled and the greatest day ever. We appreciate that. We pray Lord that our appreciation shall become stronger and stronger; that weâ€™ll believe as weâ€™ve never believed before, and our lives will be consecrated to it. Help us in this service as we bring the Word; weâ€™ll give You the praise in Jesusâ€™ Name. Amen. You may be seated.

**2** Now I want to carefully if I can, just sort of review material weâ€™ve taken, and this is number 15 in Perfect Faith. And in this message on Perfect Faith, Brother Branham gives us to understand that his definition of Perfect Faith is a faith that is related to the rapture. Perfect Faith is related to the rapture more so than it is where you develop yourselves in the faith that God has given you, so that you may have every answer to every request. Course you know that, that of course is a very superficial idea, that we would have every answer to every request, because many times we donâ€™t even know what weâ€™re asking for. Many times as James says: We consume it upon our lust. [James 4:3 â€™ Ed.] It would be better to put it into the proper context and that is: every promise which is in the Book and is available to us, considering our condition, and that would mean; why we wanted it; what we would do with it when we got the answer. Now, Brother Branham, however, in Perfect Faith is referring more to the thought of a Rapturing Faith. And so weâ€™re going to read first of all on page 8, paragraph 39, and he says now:

39 I want you to get this. The Church has got to lift Itself in the power of God. How? We are too close to the end, now; and I believe the Church is in a condition where we can teach It some little deeper things, and rub some of these make-believes out. And get into something real. See? Itâ€™s got to be something you know.

**3** All right, on page 20, paragraph 114, we also read here:

114 So when a man lives by faith and walks by faith, I mean substance faith, heâ€™s isolated from the entire world and becomes a new creature in Christ. There, now yourâ€™re going to get into Bride material. See? Youâ€™re getting into rapturing condition now.

**4** Now you know the rapture could not take place until a certain period of time. Paul could believe for it. No use believing for it. He knew it was going to happen; didnâ€™t happen in his time.

Irenaeus could believe for it, and he did believe for it. But it wasn't going happen in his time. It couldn't happen till the end of the Seventh Church Age, when the fullness of the Gentiles is completed. So when Brother Branham was talking about this, you know that when he refers over here, which I just read on page 8 and 39. He said, "The Church has to have the power to lift itself." In other words, the power of God has to come into the Church somehow and the Church would have to be in a position to receive it. And of course the first position would have to be the hour. You must understand that. Because no matter how perfect your faith is, or how wonderful it would be, you can't have God going ahead of His plan. So he's mentioning here then and we're looking at this Perfect Faith in relationship to the rapture itself.

**5** Now, I wanna go back to page 8 again and paragraph 130 and paragraph 39 and the last sentence when he's talking about this faith that the Church has to have. He says, "It's got to be something that you know." Now that defines a characteristic of Rapturing Faith. The characteristic of Rapturing Faith is something that you know. Okay, the word knowledge comes from the Latin word scio, which means: to know, science. And science of course is based strictly upon that which you can prove. You have a way of proving, because you handle it. You see it. There's something there that is very definitive. So when Brother Branham speaks of: "Something that you have to know," he would be seemingly contradicting what is said on page 6 and paragraph 26 to 28. Now he's not contradicting, but just listen.

26 Now we want to speak at this time upon faith and a different different type of faith: Perfect Faith. That's a great thing. Now, about faith, we're told in the Bible, "Faith cometh by hearing."

**6** Now you'll notice he says, "Now about faith," and he doesn't say "Perfect Faith". He's talking to you what's the faith that's mentioned in the Bible. Faith cometh by hearing, and hearing by the Word of God. [Rom 10:17 Ed.] Without faith it is impossible to please God. [Heb 11:6 Ed.] Faith is the substance of things hoped for, the evidence of things not seen. [Heb 11:1 Ed.] Just shall live by faith. [Hab 2:4, Rom 1:17, Gal 3:10, Heb 10:38 Ed.] All right, that's Bible commentary; but you cannot find actually a word in there that says a "Perfect Faith". I looked it up in the concordance this morning; the closest you're gonna come to is James; Let faith have her perfect way, her perfect work. [James 1:4, But let patience have her perfect work Ed.] And things like that you can come to a place. So he said now,

26 "That's a great thing. Now, faith, we're told in the Bible, "Faith cometh by hearing." Now, you cannot be saved without faith. And faith has to do with something that you have to believe is there, that's really nothing else will declare it's there but faith.

**7** Now you're getting away from science. You're getting away from knowledge that way. Now there's two kinds of knowledge. There's faith knowledge and there's science knowledge or sense knowledge, we know that, which we have to watch carefully what he's saying here, because we wanna bring it right back to something you can know. Of course if you're blind to it, you know you can walk into a telephone post with your eyes open. See?

26 "Now I'm trying to bring faith to you, so that you can be ready for this prayer line in the next few minutes.

**8** Okay, that's the faith we're looking at.

27 Now concerning faith: "He that cometh to God must believe that He is." And it's

impossible to please God without faith. And if you say you believe God, and you have never—but you’ve never seen him; then you’ve got believe it by faith. And if you could see Him, It would be no more faith. See? Anything that the senses declares is no more faith; it’s a scientific fact. See? It’s no more faith. But you have to accept Him by faith. And he that cometh to God must believe God; and faith comes by hearing the Word of God. See? You must first believe this is God’s Word, and you must come to God by His Word. See? Just take the Word, what It says, and That’s right. Everything else contrary to It, is not right. (Now that’s good.)

28 Abraham had to believe just what that Voice told him.

**9** Now you’re getting into your senses there, because you gotta hear Him. Course you realize the person standing beside Abraham would not hear Him. See? There’s nothing that says that the people heard what the Apostle Paul heard on the road to Damascus. They knew there was a Light and there was some kind of a sound, the same as when God spoke to Jesus, they said it thundered. He said, “No it wasn’t thunder at all.” They misunderstood. God speaking to Moses on Sinai was the same effect, same effect. They said it was thundering and lightning. All right!

28 Abraham had to just believe what that Voice told him. And when he was a hundred years old, twenty-five years later, he was stronger believing It than he was twenty-five years before It was given to him. See? He believed It. And “He staggered not at the promise of God through unbelief, (In other words, relying upon his senses or any knowledge which is apart from a faith knowledge. See?)” but was strong, giving praise to God, knowing that He was able to perform what He had promised.

**10** If you want to really see this, you should have seen Brother Bosworth just before he died. You couldn’t believe he was dying. There was no more funereal atmosphere than than nothing; but you had to live like that to die like that. And God was more real to him in his physical deteriorated condition than He’d ever been before. And two hours before he died he was sitting up shaking hands with all the departed Saints he’d known. Well you say, “He was hallucinating.” Fine, just let me hallucinate the same way. No problem. No problem. See? You can’t put God in a test tube, but you can pretty close to do it in this last hour. All right!

28 “And that’s the way, every one must be. You must come with an unfailing faith, believing that God made the promise. (God made the promise. You believe in His integrity? All right.) But now, you have to be in a position to have that faith, and that’s what we’re going to talk on; see, to receive that faith.

**11** Now you’ll notice all along here he’s talking—it’s almost like a mixed metaphor. Actually you got your channels interweaving. He’s going from simple faith to a Perfect Faith. He’s going back and forth and you just watch this as we go along here. All right; so it would seem that he’s like you say, well—he said, “There’s something you got to know,” and knowledge comes by senses and he turns around and says, “There is no way your senses can apprehend it, and yet you can know.” Now there’s got to be a place in there where they come together. And that’s what we’re looking at in this message. And that’s what I’ve been trying to get to you all along, the other 14 messages I’ve been taking from this. Now let’s go on then and see what he says concerning faith, the Perfect Faith, and that’s gonna be page 15, 82 to 92. I gotta watch this or I’ll get all mixed up like I seem to be doing right now. I’ll be able to sort that out, 82 to 92.

82 Elijah was just as calm as he could be.

**12** Now this is the Mount Carmel showdown, where Elijah is coming against the four hundred prophets of Baal. And remember, Elijah is God's prophet. He's not just a prophet of God, he is God's prophet. That's the big thing you want to watch here. Okay.

82 Elijah was just as calm as he could be, and he said to those prophets of Baal who were screaming and cutting themselves and doing everything, "Cry a little louder," he said, "maybe he's pursuing, you know he's out hunting. Maybe he's on a fishing trip even sitting down gone to sleep even just lying there. Maybe he's doing something else. I don't know; you folks should know, but he's gone out somewhere." He just made fun of them, because he knew what was going to happen.

**13** He knew what was going to happen. Now one place you don't know, the next place you do know, both places you do know. But you don't know in one place like you do know in the other place. See? That's not a tongue twister; that's the truth.

83 Oh watch when he got everything in order. He walked out there and said, "Lord God of Abraham, Isaac, and Israel." Never called him by his name Jacob, the "shyster" (supplanter) He called him Israel, "prince with God."

84 "Lord God of Abraham, Isaac, and of that Prince (Jacob), let it be known today that I am Your servant; and I have done this, not at my desire, not at my make up, (or something I made up) but at Your command have I done this; It was Your will, You told me what to do. You showed me these things, what would be here. Now, I've poured the water upon the altar. I've done all these things according to Your command. Now, let it be known! And when he said that, fire fell down from heaven. He was just as confident it was going to fall, because he had the substance. Why? The Word had said so.

85 Now, this same Bible this same Bible is the same God's Word. And when you can receive the substance (that's Perfect Faith.) (See?) Substance that this promise that God made is yours.

**14** Now dealing of course in Perfect Faith concerning us, he's letting you know here, that you can have from this Word, without Divine intervention, the same as Elijah had. Because remember, Elijah had the Word. He had the first five Books, and he had the traditions of everything that had happened from the Judges and from Samuel which was a great, great personage. He understood all about history, but he had Divine intervention. See? Same as Ezekiel had visions of God, a Divine intervention. Now Brother Branham was specifically telling us, a Divine intervention is not necessary for you and me, for the perfection of our faith, although with the Rapturing Faith we go deeper, because we've got to know something. We cannot know by our own faith being perfected. Do you follow what I'm saying? We're coming into the apex of what these things are. Now, reading!

86 "How do you feel, Brother Branham, when you stand there and you see people coming in different languages and things? Are you afraid?" No, sir. No sir. He said it. Never been afraid yet, cause He told me so, and I believe what He told me to be the truth. (See? Now listen.)

87 If He told me tonight, (now this is this is this cause any man's hair to turn a shade whiter; challenge the statement) if He told me tonight to go to the Presidential graveyard and raise up George Washington tomorrow morning; I'd invite the whole world, "Come and see it done."

**15** You say, "Well that's that's a pretty safe thing, because God ain't gonna do that." I agree God's not gonna do it. But what if God did make the challenge? You say,

â€œWell I donâ€™t thinkâ€™. There you are you see, you donâ€™t believe God at all, you just said you did. Who told you to interpret any part of Godâ€™s Word as though God couldnâ€™t do what He wanted to do? Because God neverâ€™! God has put His own interpretation on His own limitations. And if thereâ€™s no Scripture against this; you tell me then why God canâ€™t do it? God can do it. And if it was in His plan He sure would do it to.

**16** Remember the first man that got taken off of this Earth without dying was who? Old Enoch. The next man was Elijah. I want you to find someplace in the book of Genesis where the Word of God said that a man would be taken off the Earth or that no man could be taken off the Earth. I can take Scripture right now and prove to you that no man can be taken off the Earth, because it says that itâ€™s appointed unto man once to die. But you see thereâ€™s other Scripture balances it. It shows you that weâ€™re all appointed to die except under certain circumstances, and thatâ€™s at the end-time as the rapture takes place. We will not die; weâ€™ll be standing here made immortal. So God is already typed in Enoch and Elijah, what weâ€™re gonna have, and what poor old Adam and the human race missed, by taking the tree of death; good and knowledge; instead of the Tree of Life, they both stood there. So he said:

87 â€™I challenge you, â€™Come and see it done.â€™ Bring every critic you can and stand around, youâ€™re going to see the Glory of God.

**17** Actually he said in another place; â€™elf God told me to go and raise Abraham Lincoln, I would do it, challenge the armies of the earth to shoot me down if I couldnâ€™t do it.â€™ [Quote not in The Table â€™ Ed.] Just like he told that Armenian Doctor over there in California, the doctor said, â€™Thereâ€™s no use you praying Reverend Branham. You are disturbing her. She is dying. Do not give her false hope. You are cruel. Youâ€™re a terrible person.â€™

**18** He said, â€™Listen Doc. I wanna tell you something. You put a sign on my back tomorrow morning if sheâ€™s not living and doing the work. And I will go down the main street of Los Angeles and you honking your horn behind me in your car riding, drawing peopleâ€™s attention and on my back and my front will be a sign saying false prophet. But if sheâ€™s risen tomorrow morning and doing her work, then I will ride in the car and you will wear a sign on front and back saying quack doctor.â€™ [Who Is Jesus? 64-0620B, Paragraph 17 â€™ Ed.]

**19** He didnâ€™t have the guts to take it up. But Iâ€™ll say this about him; heâ€™s saved today, preaching the Gospel. That woman is living. I believe itâ€™s her husband gave Brother Branham a certified check for one and a half million dollars. He didnâ€™t say hallelujah Godâ€™s holding me hostage: itâ€™s to get me out of the pit.

**20** I want you to know something Brother/Sister, you were dealing with the man William Branham of the caliber Iâ€™ve never seen in my life. Iâ€™ve met all these men. Iâ€™ve met all the twentieth century big shots, except Billy Graham. I donâ€™t need to meet him, because he doesnâ€™t come under the line of Pentecost and Charismatic. I donâ€™t worry. Heâ€™s too cautious in my kind of game anyway. Too cautious for what I believe in. You canâ€™t be cautious these days. You gotta commit yourself. Nice brother, no problem with him at all, but heâ€™s too cautious. Iâ€™ve known men of the last age. No one came near this man. Historians will tell you the same thing; the perfect ministry since the time of Jesus Christ. He said:

87 â€™...Bring the critics. Set that chair over there where you can set down and rest a little while; heâ€™ll be here just in a moment, soon as I call.â€™

88 That night when that little boy in Finland, that day, rather, laying there dead, been laying there a half hour, mashed, blood running out of eyes, nose, ears; his little legs broken up in his stockings; feet were out the end of his stockings, shoes gone. I looked, and I thought, â€™That

ought to be that boy.â€• I said, â€œSay, look in that Bible back there Brother Moore.â€• (It was in a vision, heâ€™they wrote it down, it was in the Bible they were carrying.)

89 We got Brother Lindsay, Brother Moore looked there; right in the back of the Bible. â€œIt will come to pass, SAITH THE LORD, (Oh, my!), there will be a land where thereâ€™s lots of evergreens growing. Rocks heaped together. A little boy with a cropped haircut, little pantywaist buttoned up here. His stockings pulled up high. Have brown eyes; be turned back. Heâ€™ll be killed in an automobile accident. But laying hands on him, heâ€™ll come back to life.â€•

90 There It was, written in my Bible. There he laid, amen, just waiting the Word. And I said, â€œIf this boy isnâ€™t alive in a couple minutes from now, then Iâ€™m a false prophet; run me out of Finland. But if he is aliveâ€‘if he is alive, fall on your faceâ€‘repent!â€• (That boy is alive today.)

91 I said, â€œDeath, you canâ€™t hold him.â€• I called for his spirit according to the Word of God, in the Name of the Lord Jesus Christ. He jumped up. Thatâ€™s right. See? Faith took hold. God said so; there it is.

92 Nowâ€‘(listen)â€‘thatâ€™s God speaking in this day through vision. (Now thatâ€™s William Branham in his faith.) But hear this; if that vision was contrary to this Bible, that would be wrong. This Bible is more than the vision.

**21** Only man I ever knew to say that. Everybody gets something they run with it. Pentecostals went plumb away from the Word of God. Not all, but it runs in the streak, it runs there. That as soon as something gets somebody something whereby he thinks he has a vindication, then he takes a position he should not take which lowers the Word. Brother Branham never ever lowered that Word; he used everything to exalt the Word. And watch what he says:

92 ...This is more than the vision. If any visions contrary to the Word, leave it alone; it isnâ€™t of God. God doesnâ€™t contradict His Own Word. So if this Word told you something, then you can have the same confidence then, whatâ€™s thatâ€™s going to happen.

**22** In other words he said, â€œIt came in a vision to me, and it happened a hundred percent.â€• Now he said, â€œThatâ€™s great, but thatâ€™s still not it; This is It.â€• [Brother Vayle places his hand on the Bible â€“ Ed.] And he says, â€œYou have in your lives the same thing and greater than Iâ€™ve got even in my life if youâ€™ll only take it and understand whatâ€™s being said.â€• Now letâ€™s apply then this Bible to you and me.

92 â€‘â€œThey shall lay hands upon the sick and they shall recover.â€• Well brother, if faith, that Perfect Faith got a holdâ€‘

**23** In other words, if you let your own faith come to that position, in this realm of faithâ€‘cause look, thereâ€™s nothing you will ever do to bring about a rapture. Mmh-mmh. You can believe and get healed. I told you way back years ago I had this back problem; I got back problem right today. I donâ€™t worry about it anymore, because Iâ€™m going out of here anyway. Back in those days Iâ€™I had more than a fighting chance. That back was bad, so I lay in bed one night and that thingâ€‘oh man that just aboutâ€‘you knowâ€‘about kill me. So I layâ€‘so after it got to the place I said, â€œPhooey!â€• So if I lay in a certain position I would, you know, get the pain. So I deliberately lay in that position one night andâ€‘and I start fighting the devil, fighting the pain, fighting everything, and after about twenty seconds I said, â€œOhâ€‘you got me.â€• Iâ€™m doneâ€‘Iâ€™m bent. I said, â€œThatâ€™s okay devil, round one, you won.â€• Coming up round number two, and I fought that all night long. Gone; never came back.

**24** That's not Perfect Faith, that's just a matter of using faith. And you can't you can use your faith, if you use the Word of God, understand the principles, you can come to a place where you can receive the promises. But there's certain things that's outside of you entirely. That's what comes to you and you believe that and that becomes a Perfect Faith that you can use as a launching pad to go further in your own faith. Do you follow what I am saying? So try to follow me because, look, we've been doing this fourteen times, and I am sure you got it by now. All right!

92     They shall lay hands upon the sick and they shall recover. Well brother, if faith, that Perfect Faith got a hold of that, when you passed in by this prayer line you'd be jumping and shouting when you left here.

**25** Now he has already told you, what? That this little boy through a vision was brought back from the dead; and that vision was not to be compared with this Book. But the vision did come out of the Book on the grounds that it specifically states in the Book that this is possible.

**26** Don't you understand he said, "Look I'm standing here now, the same person, can you not come through this line and believe? Certainly you should be able to come through this line and believe. You're not laying hands on yourself; I'm laying hands on you. Then will you not be healed?"

**27** You see what's what's he doing here is using this; God in His grace and mercy has given this twentieth century Church a position in the Laodicean Age taking Her from a abysmal corruption and complete un-doneness of mental and physical and spiritual insanity to a wholeness in God if She wants it. Oh look Brother/Sister. Listen; please understand what I'm saying. This is what God says about this. You say, "Well brother I don't believe what it says." Well look "look, you believe what you want, but you're gonna come to this sometime, if not now. Because he said here [Revelation 3:15 " Ed.]:

15     I know your works. You're neither hot nor cold. You're lukewarm.

16     You make me vomit. (That's what He says.)

17     Because you say I'm rich I've increased with goods I have need of nothing and don't know you're wretched you're miserable you're blind you're naked

**28** He said, "I counsel you, come to Me," [Rev 3:18 " Ed.] and the church evidently hasn't come to Him. The church has kicked Him out. That's at the end of this age. Now, God giving grace to realize; here is a vindicated prophet to let you know that these promises are yours. Proving the Word of God that doesn't need to be proved; setting the Church in order.

92     If he says they lay hands upon the sick, they shall recover. Well brother if faith, that Perfect Faith got hold of that, (Prophet and the Word demonstrated) when you passed by this prayer line you'd be jumping and shouting when you left here. You'd say, "It's over, it's over, it's all over. It's finished. If you had a request in your heart and believe that when that prayer was made for you (Notice; you're not praying, the prayer was made for you.) that was going to be answered, there isn't anything to stop it. That's what's going to happen, like the little woman with the blood issue. You know and she touched His garment.

**29** All right. Now, what he is presenting here is about himself as a prophet, because it is based on Jesus the Prophet; parallel ministries. Now that sounds strange but it's we got the

understanding from the Bible on that, but weâ€™ll read what he says. Okay, weâ€™ll go then to page 12, [paragraphs â€œ Ed.] 68 to 71, and weâ€™ll read here; 68:

68 Now, the only thing you have to do then, is have faith in what you are. Have faith in what the Word says you are.

**30** Now heâ€™s making a statement here how to bring your faith up to where it hasnâ€™t been in your experience, but you maybe have had problems with using your faith. You say, â€œWhat are the principles?â€• Now letâ€™s watch it.

â€œNow the only thing you have to do then is to have faith in what you are. Have faith in what the Word of God says you are.

**31** Because you canâ€™t have faith in what you are as a person, you got to have faith in what God says you are.

â€œAnd Jesus had faith in the Word of God that said what He was, â€œIt is written of Me.â€• Didnâ€™t David in the Psalms, and the prophets, all of them speak of Him? (Thatâ€™s Jesus the Christ.) â€œI am the Bread of Life that come from God out of heaven.â€• Amen. â€œI am that Tree of Life in the garden of Eden. I am all these things; I AM THAT I AM.â€• And He knew with that, Perfect Faith that He was the anointed Messiah, that the Spirit of God was upon Him. And he said,

**32** Now watch where His Perfect Faith lay, knowing Who He was and how it happened.

â€œNow, I, in Myself, do nothing; but itâ€™s My faith in God.â€• And God was in Him, the Word made manifest. And when the Word of God comes in you, itâ€™s made manifest, as you are a believer. See? And a believer is â€œthe faith of God that moves in youâ€•.

**33** In other words, you are a believer because the faith of God is actually in you. And thatâ€™s true, because thatâ€™s what the Bible said: Have the faith of God. [Mark 11:20 â€œ Ed.] You donâ€™t have your own. The Bible said: The faith of the Lord Jesus Christ. [Rom 3:22, Gal 2:16; 3:22 â€œ Ed.] It does not give you credit for your own faith. It is the first thing thatâ€™s born into you when youâ€™re born again; faith. Faith is the first step in I Peter.

70 Knowing Who He was, without a shadow of doubt He knew He was the Son of God. He knew it, for the Word identified Him. The Word of God identified Who He was. He said, â€œIf I do not the works of My father, then donâ€™t believe Me.â€• (See? Repeat.) If I donâ€™t do the works, donâ€™t believe Me. But if I do, then believe the works, for they are the manifest Word promised.â€• (Certainly, because manâ€™s word will not do whatâ€™s being done. Thatâ€™s the point.) Oh, if you could just wake up to that. Get it? You see, the Word itself identified Him Who He was. And He said, â€œWho can condemn, Me of sin?â€• In other words, â€œWho can show Me that my life and My works donâ€™t fulfill exactly what Messiah should do?â€• Nobody could say anything; for He was. (He was that Person.) Then He had faith to believe then whatever He said, happen.

**34** In other words he is letting you know in the ministry of Jesus Christ, before He became fully identified with God Himself and the Scripture. In order to presentâ€‘well He was identifiedâ€‘in order to present Himself to the people, God had to deal with Him specifically. And the specific dealing with Him made Him to know progressively that God heard every Word that He was saying and that Word evidently was the Word of God and would bring everything to pass exactly how It was said. Nowâ€‘

71 Then he turned and said, "The works that I do, shall you also." A little while, the world sees me no more; yet you shall, because I will be with you, even in you. Take no thought what ye shall say, for it is not you that speak; it is the Father dwelling in you; He is the One Who speaks is speaking. It is not I; It is the Father that dwells in Me; He does the works. See what I mean?

72 Now, as to the identification of a Scriptural Christian, these Words said Jesus: "These signs shall follow them that believe."

**35** Now look, I know people are gonna get thrown on that statement, and it is not the kind of statement that you think it is, because automatically the mind goes to signs. Then any failure to bring a sign condemns you. The mind must go to what you are; a believer! You do not produce the signs, you are not a sign person, you are not a sign producer, you are a believer; God produces the signs. So your categorization is first of all, believer. And if you never saw a sign, that doesn't have too much to do with it. Now signs are there. Any Church that doesn't accept them and doesn't try to follow is a pretty poor Church. We recognize it. But remember the call the statement is that you are a believer, and out of your believing can come different things. Out of your believing can come not one single sign my brother, my sister that you are a Christian according to miracles, but you can be taken to the lions and gladly chewed up for God, or burnt at the stake, or torn in shreds by wild animals, put in a leather bag with serpents and thrown in the sea, like the time of the inquisition.

**36** In other words you can suffer every single thing the Church would heap on you or someone would, because they got mad at the Church. You wouldn't show one sign. Except what? Your perseverance, your testimony to Jesus Christ, so don't get carried away on a lot of things that are being said. Keep them in their perspective, keep them right with the Word at all times or you will botch up just as sure as you're alive. So all right, your identification; first of all you're a believer, and signs will believe will come, you'll have some, you'll have some evidence in there.

72 "How can you call yourself a believer and deny any of this Word?"

**37** Now there you are right there. Many a person will have signs and disbelieve what God said would happen at the end-time, false anointed ones. So we've got a very narrow road to travel here, a very narrow light talk into. Not some big broad light, it is a spot light, very fine spot, very fine pin-point almost.

72 "You're not a believer; therefore signs can't follow you, because you just accept what you want to believe and leave the rest of It out. You won't and don't believe It. But you've got to take the whole thing and believe it. And when you truly believe, not make believe, but really believe, these signs will surely follow those believers.

**38** That's about as far as we need to go there. Now, on page 26; want to get to paragraph 148 to 154.

148 Look. He knew that He pleased God. (That's Jesus) He knew there was nothing in blot in His life. God had already testified that by saying, "This is My beloved Son in Whom I am well pleased, hear Him. This is My beloved Son in Whom I am pleased to dwell." In the day of His baptism I am pleased to make My abode in here; there is no condemnation in Him at all.

149 Now, when the same God comes to you, and is pleased to dwell in you, pleased to honor your word, what your decision is (Now watch, he's going to get very deep here, so don't

get carried away too far.) What was Joshua's decision? "Stand still sun." (Now he's first of all talked about Jesus. Now he's talking about this man who stopped the sun stand still.) It stood still there. Sure, Amen. What was Moses' decision? Held his stick over the river, called it to open, it opened. See? It's what ever you ask. "And if you say to this mountain, 'Be moved,' and don't doubt," (see, it in your heart now; you have it don't doubt) "but believe that what you've said will come to pass, you can have it (what you said)."

**39** Now how you gonna go before God and out of your mouth is gonna come something that you know is gonna come to pass just because you said it? There's no way; unh-unh, no way. You'd have to have God's own Words somehow given to you for that occasion, and you would be a spokesman. It's just like prophecy. The prophet does not make anything come to pass; the prophet is only a voice to you and to me. God uses him and lets him in on what God's going to do and he tells us. That's all that's all. God's His own Prophet, but He uses sounding boards, reflectors.

149 "If you say to this mountain, 'Be moved,' and don't doubt (see, in your heart), but you believe what you've said will come to pass, you can have it. (Remember Jesus said, "My Words are of God; My Words are God's Words. What I hear Him say, I say. What I see Him do, I do. [John 12:49-50; 14:10 Ed.] That puts you back in the Word. Now, that's not skim milk. I know it's going to jump over the top of you here, see, because it can't anchor.

**40** It didn't either. He was telling them flat, "Look I have the same ability, because God puts His Words in my mouth. I'm not thinking my own thoughts; I'm not asking my own desires." But you notice something? Joshua needed that sun to stand still. When he needed that sun to stand still, what did God do about it? The sun had to stand still, because those fellows would've got away. Night would have come and they would have got away, that's just true. And God doesn't say, "Now look General, I'm gonna expect you to have, you know, cats eyes in the dark or something." So it was a logical thing now if the sun would stand still. So the sun should stand still; night should not come on; something should happen. That's all. So what does a man do? In his mouth comes the Word of God: "Sun stand still." Sun stood plumb still. Now listen; here's what he says:

150 I've seen it, friends. (I've seen the same thing in my ministry.) Here's the Bible lying open before me. I've seen it happen and I know it's the truth. I know. God in heaven knows, that I might not live through to finish this message but I know that it happened. I've seen it myself. I'm a witness; I'm a witness of that Word being fulfilled and I know it is the Truth; say It stand there and see the Creator bring a living creature into existence!

**41** You say, "I don't believe that." Then Moses what was Moses doing? Bring on the flies, the flies came. Bring on the fleas, the fleas came. Bring on the frogs, the frogs came. Bring on the murrains, the murrains came. Bring the blood, the blood came. Bring the hail stones, the hail came. Then bring on death. I wanna ask you; who spoke those words? Moses. Where'd he get them? In a showdown, God did it. You know people are so far removed in their thinking from the living God and from their hearts. And remember, He's outside the church. We've got a job ourselves this morning. I don't think we've spent near the time we should. I know I don't. I know your meetings you have where you come and talk the Word is "it's the greatest thing that ever happened to this Church. Other Churches say they can't work it, I don't know why they can't work it, you people here work it. It's gonna do something for you. Said:

150 "and I know It's the Truth, God "God brought a creature into existence right in the

presence of your eyes. Keep shaking your head and wonder; then look around and seen Him bring another one just exactly like it, because you said so; come over here and say, "There'll be another one there," and look and there it is. Now that's the truth.

151 Oh, where should we be? There's Perfect Faith.

**42** Perfect Faith in this category; now we want to get your faith in your category. You know Brother/Sister, this is so simple that we've lost the simplicity. What's the first thing the teacher did in trying to show you how to write or print? Well you got to get your tongue out, [Brother Vayle sticks his tongue out of the right side of his mouth " Ed.] all of it. Got to get your balance like that; the cat and its tail; you got balancing features. Kids got tongues. I never did do that. They liked to slap me when I was going to school half the time. But you know; what'd you do? The teacher did it, and you seen the teacher did it; [Brother Vayle shows an example of a teacher writing on a blackboard " Ed.] that's how it's done. In other words, you took that to be the true "A" and the true "E" and you did it and you followed in. You say "Hey. That's the example of the ability to write and I can do it." Not by precept! Teach by example, not precept. Very few people can use example when it comes to too much in the Word of God. It all falls to precept, and that's the big trouble in the Church today. We need more examples, just example. Okay.

151 "That's there's Perfect Faith. No vision, "Just speak the Word," never saw the squirrel. He just said this Scripture, what it was!

**43** Now which one? Mark 11:23: Say to this mountain be moved. Speak the Word, that what's what you say will come.

So He said to the prophet, "What do you want?"

Now I know the world can deny this.

Say, "Well, William Branham never spoke the Word and squirrels came into existence."

Well then neither did Moses.

Say, "Well Moses is different."

**44** How do you know? Where do you get the Scripture for it, that God couldn't create through people or people create through God? However you want to put it. Where'd you get it? You got faith to believe that you giving this Word of God to people will mean their salvation. You're sick! You got to be sick. Creation is nothing along side of a man's salvation. Opening the Red Sea is nothing along side of a man's salvation. So you believe the great thing, because, why?

**45** Well, anybody can talk. Everybody does talk. Then deny the lesser? That's what Brother Branham was pointing out here. [Brother Vayle points his finger to the Bible " Ed.] All these things like Moses and all the prophets and anything he did, or Jesus did is the lesser. It's pointing to the great God and His Word, so that when you now are faced with precept, which is based upon literally example! True, because everything's after the fact, and the fact is example. And after the fact is precept, establishing laws, you know that it works. I hope your faith is getting somewhere, because I know what I am talking about when I'm talking this way, and I know what it can do to you. We have never had our hands on anything this explosive Brother/Sister; never anything in history since the time of Jesus Christ. See?

"Now, it will come to pass, that puts you back in the Word." He said that.

**46** Now down hereâ€¦! Perfect Faithâ€¦in other words, Brother Branham was right back here, the way it was done in the Word, example, to get the precept, to get the principle, to get the moral, to get the guidelines. Yep. Just speak the Word.

151 Oh where should we be? Thereâ€™s Perfect Faith. No vision, â€œJust speak the Word.â€• Never saw the squirrel. He just said this Scripture, (Mark 11:23) Speak it, donâ€™t doubt.

**47** Now remember, when Brother Branham by his own words admitted that he began to chicken out on what he said.

God said, â€œBut you said, three.â€•

Well he said, â€œIâ€™ll stop at two, twoâ€™s notâ€¦! Lord I believe I overshoot my mark. Iâ€™d be satisfied with two out of three.â€•

â€œBut you said three.â€•

(Turn it over. Okay.) I think thatâ€™s fantastic.

151 â€¦Thatâ€™s right. Thatâ€™s just as powerfulâ€¦! (listen) And friend, as your pastor, thatâ€™s just as powerful as it was when Joshua stopped the sun; because the sun was already there; the elements were moving and he stopped the movement. But this, He brought something there that wasnâ€™t there; He created. Iâ€™m so glad to be acquainted with the God that can take this dust of the earth, someday that I donâ€™t see and (andâ€¦!where Iâ€™m off to now?)

**48** Anyway, he talks about the resurrection; but I got to find that for you. Just give me a minute hereâ€¦or several minutes, whatever itâ€™s gonna take. I was kind of afraid this might happenâ€¦!here we areâ€¦!okayâ€¦!justâ€¦!I know itâ€™s here.

151 â€¦Someday Heâ€™ll call me back to life again, after Iâ€™ve been planted in the grave.

My faith looks up to Thee,

Thou Lamb of Calvary.

152 You say it and donâ€™t doubt but believe that what youâ€™ve said, you shall have what you said. See? Believe that it will happen.

153 David in the Psalms, spoke of Him. And with it, He took His power and ministered to others. (Now watch.) Not only was it a treasure in Himself, (or a power in Himself, a gift in Himself and to Himself and for Himself) but He ministered to others by it.

**49** Now how was the gift in Himself and for Himself? Only because it gave Him that strength and that faith to operate for the people and get the people in the realm where they could believe and see the things of God for themselves. See?

153 â€¦He ministeredâ€¦"He ministered to others by it, also saved others even to the uttermost and He can do the same now and promised the same faith to the believers in His Word, John 14:12, Mark 11:23 and even Mark 16.

154 Now watch. In this last hour He has appeared to us in this same form He did in the Old Testament. (Thatâ€™s when He appeared in the Pillar Fire to Moses.) The same as He did in the New Testament, (Which was to Paul, Pillar of Fire came, thatâ€™s right.) and showed by the same

Word, the same Christ right now.

**50** Remember the Bible distinctly says the Cloud that followed and the Pillar of Fire was Christ, and the Rock was Christ.

And when Paul spoke back to the Light; "Who are You?"

He Said, "I am Jesus."

So what would it be now if this was the Truth right there taken by a camera? [Brother Vayle points to the picture of The Pillar of Fire "Ed.]

Say, "Well I don't think God takes pictures by a camera."

**51** Well that's what you think anything you want. Ain't no problem, you just think what you want. What if He did? Now where are you? Say, "Well I don't know that He did." Well, see, there you are.

154 I declare to you that Christ is the Holy Ghost. The word Christ means "the anointed One," just the person that's anointed, that is the Christ, the anointed One. Remember God anointed Jesus, went about doing good things, anointed with the Holy Ghost. How many know that's true? That's good. The anointed One, that would be a man that would be anointed.

**52** That brings it right back to Himself Acts 13 tells the same thing. Okay, a man approved of God and God is doing the works. In other words, back there it was God in the Man, today it's God through a man. It's simple as ABC. All right, now, with this we want to continue reading and he says here.

155 And now we become anointed with the same Spirit, anointed messiahs, messiahs of the last day, to shine forth the resurrection of Jesus Christ. To show that He is not dead, but in the form of the Holy Ghost.

**53** Now let me tell you something. You show me a church that can do that. There's no way. It's got to be one person. God never ever used a bunch. He never sent a lot of sons down sent a lot of bodies down. He had a little group, a little group and I'll be put my Spirit in each one of them, one man and I'll enter him. See? Now watch.

155 He's in His people moving among His Bride, (In baptism of the Holy Ghost among the Pillar of Fire Himself.) with a love affair to Her, pouring out into Her, Himself. They are becoming one for the Wedding Supper. And the same signs promised by the same God, in the same Word is making the same manifestations. (Now he said,)

156 There is nothing (Now here is where your Perfect Faith comes into His Perfect Faith so that you will develop your own Perfect Faith which is not this. [Brother Vayle points to his notes on the pulpit "Ed.] Okay.) There is nothing left for us to do but believe it. And believing it is the substance. And that creates a Perfect Faith. Just think how numb we are, just think about that for a minute.

**54** See? How many people believed it? We don't know how many believed it, but there is what you're looking at. See? Perfectly to understand. Now, he says here:

The ministry that returned back upon this earth in this end-time is the absolute proof of the

end-time. Absolute proving it is God. Letting you know that you are here in a position to have Rapturing Faith to get out of this world, complete restoration, back to the Tree of Life, right back to the things of God.

**55** And at the same time, no Word of God is left out. And the Church absolutely knows without flinching. Itâ€™s a proven thing. â€œLay hands upon the sick and they shall recover.â€• [Mark 16:18 â€œ Ed.]

**56** In other words, God did not come down and take one man and say, â€œWell look, all you can do is look at this fellow, and itâ€™s wonderful that I have vindicated him, and I have authenticated Myself and isnâ€™t it great now, thatâ€™s all thatâ€™s all thereâ€™s to it.â€• He did not say that. He took us to lift us to the highest level possible, based upon what we have seen for the first time in two thousand years, since the time of the Lord Jesus Christ. Okay, let me see nowâ€¦I want to get back hereâ€¦I got to hustle through all of this, to find it somewhereâ€¦page 16. Okay.

93 Jesus had Perfect Faith. He had it andâ€”andâ€”and itâ€™it came because He was the Word. And you must become the Word, and you do become the Word, as you receive the Word.

**57** Now isnâ€™t that true? Now come on, people say, â€œI donâ€™tâ€¦I donâ€™t think thatâ€™s a good statement.â€• Ohâ€”oh listen. I think itâ€™s a perfect statement. Let me justâ€¦let me just take a peek here. John the eighth chapter, I think I can I can find it, but I donâ€™t know, arenâ€™t gonna keep you too long, but anywayâ€¦weâ€™re gonna look at John 8 here if I can get itâ€¦andâ€¦verse 36 of John 8 he saidâ€¦

36 If the Son shall thereâ€”therefore shall make you free, ye shall be free indeed.

37 I know you are Abrahamâ€™s seed; (physically speaking), but you seek to kill Me, because My Word has no place in you.

**58** All right. What if the Word had had a place? Then they would become Word members. Wouldnâ€™t they? They would become Word Christians. So what He says is true here. Now why did they turn Him down? They turned Him down, because He rebuked them for there understanding of the Word of God. And when He came with the physical manifestation, He had the right to interpret the Word of God as God had given the Word to be interpreted. And they turned It down. So therefore they had no place for the Word. All right then, when you got a place for the Word, what are you? Youâ€™re part of It, and the Word part of you. So how do you become This, [Brother Vayle points to the Bible â€œ Ed.] what they couldnâ€™t become? By receiving, which they didnâ€™t receive. They said,

39 â€¦Abraham is our Father. Why we got a fine church; weâ€™ve traced our history back generations. We got in our bloodâ€¦great ancestors. I have no doubt about it. Well He said, I know Abraham is your Father. But if you were Abrahamâ€™s children; youâ€™d do the works.

**59** Now Abraham had seven sons by Keturah [Gen 25:1-2 states only six sons â€œ Ed.], and gave them all gifts and sent them off, left Isaac plum alone.

40 You seek to kill Me; a Man that told you the Truth, which I have heard of God. This did not Abraham.

41 You do the deeds of your Father. They said to Him, We be not born of fornication. (Haâ€¦they knew right away.) They said, Weâ€™re not Ishmaelites. Weâ€™re not Cain. Weâ€™re notâ€¦weâ€™re not in fornication here.

**60** Abraham did not fornicate with his wife. Actually, he had every right to have her. She became a wife. It was Eve that was a fornicator. She was married to Adam, and she had this handsome, big, beautifully built, dark fella. That's how the giants got in the land. People have an idea; Angels came down and gave themselves human bodies and pregnant women. Hah! If they were ever doing that, they'd be doing it all the time. Oh people get so mixed up in their thinking. Read the books. You'll find out. They're so scrupled up you can't believe it. Well you know.

42 Jesus said, If God were your Father!

**61** Watch that. Well they say, "Abraham's my Father." Now there's no doubt in the world about it, but God sure isn't. "In the beginning was the Word and the Word was with God and the Word became flesh." [John 1:1 Ed.] So God had in His mind, little gods, little bits of Word, little bits of manifestations, because a child is a manifestation of his father, because the mother is part of the father. I can prove that to you, simple as ABC. So it all becomes one. Said,

42 "God's not your Father. If He was, you'd love me.

**62** Now what about what about Him didn't they love? He came against their word. That's what we say here. We accept no love unless it's based on Word. I am not interested. I'm sorry. Oh I can kiss you and hug you and be nice to you; fhap, that's wonderful. You know!oo. That's just being you know!that's just being sensible.

**63** Don't dogs rub noses and lick each other and they're friendly? I don't mean to be mean or anything. I'm just telling you anybody can go through the actions. We're talking about This Brother/Sister. [Brother Vayle points to the Bible Ed.] So let's not get carried away with some ideas we got. I'm not interested in my ideas. I want God to correct my ideas and bring me right down to this Word; look it, even if I'm a skunk, I want to know this Word. Cause if I am a skunk in myself, I don't want to skunk anybody else up. To lead anybody astray is a very wicked and terrible thing. So,

43 Why don't you understand Me? Said, You can't hear My Word.

No point in it. He said,

44 "The lust of your father you do. (And so on.)

**64** Okay. Now, we're reading along here, and we're on page 16 I think we're supposed to be at. I got page 16 over here, 93, 94. I gotta find page 17 if I'm gonna go on 16!okay.

93 You see? Say to this mountain, "Be moved." And don't doubt, but believe what you've said, then you shall have what you said. When you pray, believe that you receive what you asked and you shall have it.

**65** Now see what he is saying here? He said, "I stand up here in the category of Moses and Paul, Joshua, all of these men, Elijah, right down the line; a prophet, vindicated of God." Now he said, "To me has been given this privilege and this position. The gift I use for myself and I place myself in Scripture and I understand because I must. But remember It is actually for you. Now you hear what I am saying, and you don't buy my mystery ministry, which has been vindicated and witnessed to by thousands and thousands of people." [Brother Vayle is paraphrasing the prophet Ed.]

**66** The whole city of Durban saw truckloads of canes and crutches, and wheelchairs taken down the street in a parade honoring Brother Branham at the great meeting in Durban. Itâ€™s witnessed, people know it. Itâ€™s on record; dead raised, everything else, cripples, cases like you canâ€™t believe; I saw it with my own eyes. I was there myself. He said, â€œThat is given to let you know the Perfect Faith in this realm is now taken you to your Perfect Faith in your realm.â€•

**67** Now what Iâ€™m trying to get across and heâ€™s trying to get across is this; look! you can have it, meet the conditions, they are not all that rough to meet. You have everything now at your finger tips to get what you want, which is indicated here. [Brother Vayle puts his hand on the Bible â€“ Ed.] You will go through trials, thereâ€™s nobody gonna stop that. You will suffer; nobodyâ€™s gonna stop that. There will be rain, thereâ€™ll be clouds, thereâ€™ll be snow, thereâ€™ll be drift, thereâ€™ll be skidding, thereâ€™ll be ups, thereâ€™ll be downs; no oneâ€™s gonna stop that. No way. But you can have the promises.

**68** Now old age doesnâ€™t have a thing to do with healing. Old age merely means this; I canâ€™t claim to live longer than seventy, but it can claim to live healthy. See? It can claim the promises. You may be like Smith Wigglesworth, with great faith, he prayed for the sick and yet he suffered from terrible kidney stones, would go home and lie in a tub of hot water to get rested up for the next day to preach again and pray for the sick. And he felt like most preachers do that pray for the sick, that if he prayed for one whole church full and they dropped dead heâ€™d move to the next church and pray for those and believeâ€™ believe some of those wouldnâ€™t drop dead; because they gotta! they gotta stand resolutely with the Word of Almighty God.

**69** So he is saying here, â€œNow watch how this blends to the other.â€• Okay. And I got myself so thoroughly mixed up I donâ€™t know whether Iâ€™m gonna find anything more or not. But itâ€™s all right, weâ€™ll just keep looking. Hereâ€™s page 26 or 27 canâ€™t be too far away. Okay, once again, page 150! page! paragraph 157, and he says,

157 Has He done all things well? Has He ever told us anything but what happened just exactly the way He said it? Hasnâ€™t He performed, and hasnâ€™t the great Pillar of Fire been among and done exactly what He promised Heâ€™d do? Havenâ€™t we seen It? Hasnâ€™t science taken It, after itâ€™s beenâ€™ been predicted what would happened; go right back there and even have It in the papers and magazines, pack It right back and show It, when Itâ€™s told you months before It would happen? Hasnâ€™t He done exactly the way He did in the Old Testament, in the New Testament, isnâ€™t It just exactly the same One thatâ€™s doing this now in my ministry? (I put that in there.) The same Holy Spirit comes! the same Holy Spirit comes and is a discerner of the Word of God, which is quicker and sharper than a two-edged sword; discerns the thoughts and intents of the heart. Isnâ€™t that right?

**70** The same man, you couldnâ€™t hide if you tried. Iâ€™ve seen it happen. Whirl onto you just like this. [Brother Vayle snaps his head to one side â€“ Ed.] And brother, everything came out. You hung out from front behind both. You couldnâ€™t hide if you tried. No man ever got away with it. What do you think this was all for; some little side show?

**71** Well isnâ€™t it nice how God did things. Hey, I like the way God does things. Isnâ€™t that something? Hmh. Man, I wouldnâ€™t think He would do that, but boy! Heâ€™s a shocker! man they... wasnâ€™t that the Halloween party we ever had? Read your Bibles. Every time He did, a judgment came Brother/Sister. Judgment came. Well I donâ€™t think Iâ€™ll read; thatâ€™ll stop me from getting it.

**72** Tell that to the IRS. Go ahead. Godâ€™s bigger than the IRS. Tell the cop you really stopped when you made a rolling stop at a stop sign and this is his night to get his quotas in. Go ahead and tell him. Tell the electric light company that youâ€™re going to get your 4% or your 2% discount,

because youâ€™re three days late. The computerâ€™s set up. Isnâ€™t it the same God?

**73** Nahâ€¦lookâ€¦say, â€œI donâ€™t think thatâ€™s the way it is.â€• [Brother Vayle points to the picture of the Pillar of Fire â€“ Ed.]

What if it was? Well letâ€™s find out. Letâ€™s investigate.

â€œNah, donâ€™t think Iâ€™ll do that; Iâ€™ve asked my friends, Iâ€™ve asked my minister, theyâ€™re not interested.â€•

157 â€¦The same One, Itâ€™s not a stranger far off; Itâ€™s the same God. Heâ€™s here, Heâ€™s here, and He does this to create a Perfect faith. (What Perfect Faith? For the prophet, for the people.) I know He knows all things. (Bible says He does.) And I know He wants to do something. Heâ€™s been doing something to create this Perfect Faith in this people.

158 Are we going to walk into eternity like it was in the days of Noah, with eight souls saved? (Sure thing.) Are we going to come like Lot, with three out of Sodom? John the Baptist, six believers? Let us believe for His works are perfect Theyâ€™re manifested daily and perfectly amongst us, that He is that Word. Hebrews 4, Think of It.

â€¦the Word of God is That; that Word, a discerner of the thoughts and intents of heart. For the Word is quick and powerfulâ€¦more powerful and sharper than two-edged sword, piercing even dividing asunder of soul and spirit, the joints and marrow, discerns the thoughts and intents of heart.

**74** Yeahâ€¦yeah It does. Hebrews 4 and 12; It also says:

13 Neither is there any creature that is not manifest in His sight: but all things are naked and opened unto the eyes of Him with Whom we have to do.

**75** Now Brother/Sister let me ask you a question. Isnâ€™t that what prophets did? Well howâ€™s this gonna be? â€œWellâ€• you say, â€œNow Iâ€™m gonna put that way back there at the White Throne.â€• Well thatâ€™s interesting. Iâ€™m not angry at you for doing it. Iâ€™m not at all. But I want you to prove it. What if itâ€™s this side of the White Throne also? See? Are we gonna walk in?

159 â€¦The Word made flesh. Hallelujah. The Word operating in human flesh by physical signs, by material signs, by Scriptural signs, perfectly, to bring you to a Perfect Faith, a Perfect Rapture.

**76** I could read on and on but Iâ€™m not gonna do it. Look, you know what this sermonâ€™s all about. Brother Branham thoroughly knows that heâ€™s thoroughly identified. What spoke to him never lied; never made a mistake. He proved it by telling us thousands and thousands of times; never an error. Never anytime did he make a mistake. Say, â€œWell, if he had lived longer he might of just had one mistake.â€• How well do you read your Bibles? Because if you believe that youâ€™re not reading your Bibles, because youâ€™re trying to put a limit and a balance on what you think is in here rather than what is not in here; [Brother Vayle puts his hand on the Bible â€“ Ed.] because God doesnâ€™t have to speak two times; once is enough. He doesnâ€™t have to show it two times.

**77** Tell me, how many times did Elijah meet the prophets of Baal? How many times did Moses go through those miracles? I want to tell you something Brother/Sister, Jesus Christ put Moses to shame a million different ways. He sure did. Moses spoke of Him. But do you know that Jesus did not do the things that Moses did? Iâ€™m talking now in abundance. Moses was the meekest man

that ever lived but Jesus was meeker. Moses was the strongest man that ever lived and Jesus was stronger. He was the great One, Heâ€™s the Savior.

**78** Now Jesus made a statement concerning His own Self and ministry, He said, â€œThereâ€™s gonna come on the scene a person who will do greater works in number than I have done.â€• When did Jesus have a parade in Jerusalem with a whole string of trucks, cargos of crutches, and wheelchairs? Show me more cancer cases. You say, â€œWell John said the whole Bible libraries couldnâ€™t contain the things that Jesus did.â€• Thatâ€™s quite possible. Whereâ€™s your record? Whoâ€™s here to tell about it? How do I know the Bibleâ€™s not something just somebody made up? And the church made a traditionâ€¦said, â€œWell, you know we keep it up to date and God speaks to us.â€• I wanna know who God speaks to. Thatâ€™s a laugh.

**79** I can stand here before you all and make this claim, thereâ€™s none of you or all of you put together can not have my record of what I know that come to pass, that I know has been the Voice of Almighty God, based upon one thing; the thing came to pass didnâ€™t it? You say, â€œWell maybe the devil makes things come to pass.â€• Well thatâ€™s just your privilege. You do what you want; but here was a man who had a world record greater than Jesus Christ, not individual point-per-point, but in magnitude of numbers. Like Jesus said in John 14 and 12. Let me read It, something worth reading. I love that 14th chapter anyway.

12 Verily, verily, I say unto you, Heâ€¦(not they)â€¦He that believeth on Me the works that I do shall he do also; and greater works than these; because I go to my Father.

They shall lay hands upon the sick. [Mark 16:18 â€“ Ed.]

**80** So, what weâ€™re looking at here is this; in the message of Perfect Faith from the subject material that Brother Branham has built around his sermon title. It is evident that he has taken from his own life experiences. Itâ€™s all this material that makes the sermon up. He has taken from his own life experiences drawn from and rooted in the Scripture. This faith he now exercises and presents to us, not only for our edification and evaluation, but as a working principle in our lives so that we can come all the way from the prayer of faith to the revealed faith for rapturing. I believe that this Message is taken from I Corinthians 13 though he didnâ€™t say so. Where we read beginning in verse 9.

9 For we know in part, and we prophesy in part.

10 But when that which is perfect is come then shall that which is in part be done away.

11 When I was a child, I spoke as a child, I understood as a child, thought as a child: when I became a man, I put away childish things. (In other words he stood up and was counted with his own words.)

12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as I am also known.

13 Now abideth faith, hope, and love, these three; but the greatest of these is love.

**81** So, at the time when the whole is in view; when the face to face, the appearing is here, our faith is going to be magnified, our hope is going to be magnified, our love is going to be magnified, because we are going to see the earnest expectation in full view which is the manifestâ€¦which is the Word of God promised this hour. We are going to see the fulfillment on the grounds of faith. Weâ€™re go.d that same faith and earnest expectation and love is gonna multiply in our lives and does multiply.

**82** Now you people know that over the last year, the last few months especially, you have felt a mellowing toward just about everybody. You're not too concerned anymore. You're just mellow, walk in love, walk in faith, something is happening. There's only one reason it's happening because the life in the Word is being released. And I'm standing here believing and I cannot help but believe that what we've talked about for the last 15 times, Sundays and Wednesdays now, counting 15 today, we have an understanding now. We know exactly what has transpired and that is literally the spark that fires our own faith to believe as never before, that we can have these promises that God has laid out.

**83** We said there's conditions we know, but the conditions can and will be met. Why? Because that same Life that's released from the Word; the conduit of the Word, and we are; lets face it, the Holy Ghost has a conduit. It is the Word. Right? The Word has a conduit which is the human body. So when you go on down from God to the final conduit which is man-kind manifested, we know that God is moving in us in order to have what the prophet set forth in this hour. Sure we're gonna get out here. But he said, listen, he said, "That Spirit, that sweet Spirit of Christ coming more and more in the Church till there won't be one sick amongst us."

**84** That Spirit comes in more and more by this revealed Word as we see it and understand what the prophet was saying. And he stood before those people and he said, "Listen, can you believe the Bible that says about Elijah? Can you believe the Bible that talks about Joshua? Can you believe the Word that speaks about the prophet in this hour? Can you believe me on my own record of telling you and you having seen exactly what happened in my meetings where it never failed once? And I'm telling you now." And he said, "This is the Third Pull." The Third Pull in the Church Brother/Sister has taken place. Not the Third Pull to the Word, but the Third Pull which manifestation, speaking the Word, has taken place. And he said, "Will you now take my authority, which you know is God's own authority to believe as you have never believed before to turn your faith loose."

**85** And he stood there and he said, "I as your pastor and you believe what I said that those squirrels came into existence." And I know that's a tough one, but it's the truth. Came into existence because if God cannot create then don't call Him God. And if God does not create you tell me where you find that God does not create. He doesn't create for you. That's true. That doesn't mean He doesn't create for somebody else. What would you call it if God put a new leg on a person? What would you say if God put a new kidney in your body? And that is authenticated record. There's records on that, new lungs. Man with no kidney had a new kidney put in. That is absolute God's truth. It's on medical record.

**86** There's thousands of medical records what God has done. There's no church I believe anywhere that is bereft, maybe the Church of Christ, maybe, because they are so desperate against the Word of God. But you know what? Some of their members get healed. But there's no church, I believe, that is destitute of some record of a miracle of creation that God did it. Test your histories and find out. Then why wouldn't God create a squirrel if that's what God wanted to do, that was in Him?

**87** Now he said, "Look, if I as you pastor could speak according to God's Word, knowing your place and my place, and that comes to pass, then when I pray for you and I am praying and speaking these words. Will you not then get what you desire in healing?" And the answer is "yes", and I would to God records had been kept of that meeting.

**88** Well you say, "Brother Vayle that was fine for William Branham.

What about us?"

**89** Itâ€™s fine for us too. I am not William Branham. I cannot speak as he spoke. But I can do what he said. And that is, I donâ€™t have to speak anything into existence. But based on what has been done I can take the same Word and you can take the same Word and stand on that Word and get what God says is ours. Thatâ€™s true. Now what He said was only one little thing. He said, â€œLook, if thereâ€™s something wrong in your heart, get it out of there.â€• Thatâ€™s all. And the second little thing, â€œYou believe what Iâ€™ve told you.â€• And thatâ€™s those people were perfect candidates. Now if you get what Iâ€™m saying, you follow through this week in your mind. Go over what has been said this morning. Ponder what the prophet brought out at the end of his message. Believe me. I am not lying to you. You are in a position to receive as you have never received before.

**90** Now look, Brother Branham said, â€œIâ€™ve got to decrease and He is gonna increase.â€• Did he go? He left us. Then I wanna ask you, â€œWhoâ€™s increasing in our midst today?â€• Then is not that Word then even greater than when we first heard It? Is it not true understanding is richer and realer where we couldnâ€™t apprehend It, weâ€™re doing it now?

Then is God gonna turn around and say, â€œWell listen, I gave you your chance and you didnâ€™t get it.â€•

You say, â€œLord I wasnâ€™t even there.â€•

â€œWell too bad, too bad then.â€•

â€œWell I wasnâ€™t born Lord.â€•

â€œWell thatâ€™s your tough luck too.â€•

**91** Do you think God acts that way? Come on; hundreds of years in the making and thousands of years in the proving. God does not do foolish things. He doesnâ€™t ask of us anything but simply to believe. And long as weâ€™re not out of here, long as the doors are not closed, and the Bride is not gone, we are increasing and increasing and increasing.

**92** One day soon youâ€™ll simply know that you know. Say, thatâ€™s it! And it is. And you know something? Your testimony is the testimony of thousands, but youâ€™ll know something that the other thousands donâ€™t know, that yours is based upon a vindicated Word thatâ€™s gonna put you in rapture. You can be healed a thousand times and miss the rapture. You can live Godâ€™s laws like many people do by tithing and giving and become a legitimate millionaire. You can give your body to be burned and still miss it. But how can you miss what God says? There you are, Lord bless you, letâ€™s rise. Saturday night, seven oâ€™clock; seven oâ€™clock instead of seven-thirty because of foot washing, being it takes a long time.

Heavenly Father again we wanna thank You for Your kindness too us. Lord we know we could just go over and over many messages Brother Branham preached. They all say the same thing; that You are a gracious and wonderful God that thoroughly exposed Yourself by Your wonderful works to the view of the people. And thereâ€™s only one pronouncement we can really make, and that is that You are a wonderful, wonderful Lord that You should condescend to do this. We are so grateful. And we marvel Lord that You gave us the opportunity to see it and to open our eyes to it.

And we are indeed sorry Lord for those who do not see it and do not understand. And we pray for them Lord, and ask Oh God, that as the Apostle Paul was so worried about his own brethren thatâ€™s that had the adoption to whom You came after the flesh and who had the written Word, the ministry had all those things were missing, were blinded to it. And he said, â€œLord if I could die for them in their stead Iâ€™d do it.â€• But we know he could not do it because Jesus died and paid it

all.

Lord I just pray today the sweet Spirit of Jesus Christ in this building, if thereâ€™s anybody here without Christ, young, old, rich, poor, high, low no matter what it is Lord, we donâ€™t worry about anybody at all except the condition of the heart. May that heart respond to You, and make a full commitment to You the Lord Jesus Christ in a genuine baptism with the Holy Ghost. Come into that person, that person be lit aflame and alive with the Word of God.

Father, heal the sick amongst us Lord. Weâ€™re glad for the strength You give us Father. We appreciate it so much. I thank You Lord for strength to stand up here and preach. I thank You Lord day by day. I ask You Lord for more and more strength. Not necessarily for myself, though thatâ€™s fine, but Lord that great strength for the people, and above all, for the people an inner richness oh God of soul and spirit and mind, to pass on the Word, until Itâ€™s like a pulsation going through the building and every heart and mind merged as one. Every soul united in this grace and glory of the love and the life of Lord and Savior Jesus Christ pressing on, until one day we all get out of here, stand in Your presence Lord at the Wedding Supper of the Lamb.

Father itâ€™s just wonderful to know that something real is absolutely true, and itâ€™s getting realer all the time Lord. We donâ€™t need Brother Branhamâ€™s vision. Although that was wonderful he got up there and came back. We donâ€™t need it. We donâ€™t need the visions about what these other things are Lord, but we do need what came out of it, which is that lovely Word, the faith in it. Bless each one, Father God we pray, weâ€™ll give You the glory in Jesusâ€™ name. Amen. The Lord bless you. Take the name of Jesus with you.
