

## To Sound Differently

**1** Heavenly Father, we know by vindication that Thou art the true and living God, and Thy Son is the Lord Jesus Christ. Who died and rose again for our justification, and now upon the throne of God Himself is still our Mediator and Intercessor, our very High Priest. And He has not, as some would presume, in any other position. We are glad Lord, that You<sup>TM</sup>re here, putting all things under his feet, a preparatory against that day when the Son shall hand the Kingdom back to the Father. All those things Lord are revealed for this hour, and like the great Roman candle, the first burst is bringing forth many, many facets and wonderful revelations and truths, and we<sup>TM</sup>re very glad for them. We pray Lord, that we shall add Word upon Word until we<sup>TM</sup>re thoroughly dressed in the perfect revelation, the perfect faith, and trusting in the faith of the Lord Jesus Christ. These things Lord, we know, are here in this hour. They have been there, waiting to be exposed, but now they are exposed to us. We pray we shall esteem them above our necessary meat, above life itself, because this is the true life, not the life that is simply here in the flesh that courses through our veins by reason of blood, but there is a life, God<sup>TM</sup>s life Himself, and the soul, and we know Lord when the soul departs and come back some day picking up that body. We<sup>TM</sup>re grateful for these things Lord, we just ask You Father to bless our study this morning, and help us we might not error in these things. In Jesus Name we pray. Amen. You may be seated.

Now, I don<sup>TM</sup>t even know what number this is in the Message of the *Seed of Discrepancy*.<sup>•</sup> And I just thinking the other day, I made a little booboo about this Message here. This wasn<sup>TM</sup>t the message that Bro. Branham looked so much, it was the Paradox. This is the one that I got more out of than the Paradox, because of the *â€¦?*... situation within the building at that time. But this however is a very important Message, and it<sup>TM</sup>s one that he preached in 1964, or might have been *â€˜65* maybe, at the turn of the year over there in Phoenix, but the very title itself is a little peculiar in that it uses the word discrepancy. Actually we know that Bro. Branham said concerning the-the Word of the Lord is revealed the prophet in the former rain. He said, *â€œ*That prophet will plant the Word of the entire Bible from the serpent in the Garden of Eden to the prophet in the former rain.<sup>•</sup> And remembering, I think it was September 1958, in July, I think it was September 1958 that Bro. Branham preached on serpent seed, and you know of course that that caused a great deal of dissention, so much so that Bro. Branham regretted that the tape had gone out. But I think even he had not told them to send it out, but they had sent it out. In yet by the time we came to writing the Church Ages, and setting the doctrine in order so that people might understand what Bro. Branham meant, when he enunciated certain principles from the Word; we went into that quite thoroughly as possible.

**2** So, anyway, we<sup>TM</sup>re looking at the word discrepancy. It means to sound differently, it<sup>TM</sup>s a disagreement, a difference, and inconsistent something not consistent. I think that<sup>TM</sup>s one of the best definitions. A discrepancy means there is something that isn<sup>TM</sup>t consistent, it<sup>TM</sup>s not running true to order. And therefore becomes at variance with the true principle. Now it wouldn<sup>TM</sup>t be too bad, if we had a situation where you had a problem. (This seat ain<sup>TM</sup>t working too good, come on a fix this Lloyd, whatever you got to do with it. I<sup>TM</sup>ll sink to the floor here.)

But anyway, it wouldn<sup>TM</sup>t be too bad if we merely found a problem, which was not contradictory, or contra serving<sup>TM</sup> (whoops sorry [speaking to Lloyd fixing his chair] that good, okay we<sup>TM</sup>ll try that, or, that isn<sup>TM</sup>t too good, a little higher. Yeah, oh yeah, put me up high where I belong sir, see [Congregation laughs] you<sup>TM</sup>re going to fall, make it a good one. Yeah, I<sup>TM</sup>m just kidding of course. That<sup>TM</sup>s good, thank-you.)

Now, it wouldn't be so bad if it weren't detrimental, and not only detrimental, but divisive, and actually beset forth, to take the place of the other true preset. You following what I am saying? Because, it's important for you to understand that. You just don't have something here that's at variance, in a passive sense of the word. See?

**3** Now remember one of the-the! Bro. Branham used this parable over here. [Matthew 13:]

(24) Another parable putting forth!, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field. (Now, see, the Kingdom of Heaven starts out good. Now they get some problems.)

(25) But while men slept, his enemy came and sowed tares among the wheat, and went (their) way. (Now, I don't know if I can find it over here in a hurry, my mind! trying to pick up something here.)

Now, speaking of the problems in the errors and shameful things that the seed of discrepancy wrought.

**4** Paul says here, [Ephesians 5:]

(8) !you were sometimes darkness, but now (the) light in the Lord: walk as children (in the) light.

(9) For the fruit of the Spirit is in all goodness (in) righteousness and truth;

And that's really the thing you got to look out for, not the fruit of the spirit is delineated elsewhere, because anybody can produce that under anointing, but you can't produce the righteousness in the fruit, you can't produce that unless you really are truly one in the Spirit.

(10) Proving what is (that) acceptable, (what is acceptable in) the Lord,

(11) And (that) no fellowship with the unfruitful works of darkness, but rather reprove them.

(12) For it is a shame, even to speak those things which are done of them in secret. (Well, you see, that is all in the open today. Like you couldn't believe.)

(13) But all things that are reprov'd are made manifest by the light:

**5** Now it tells you right here, that God exposes these things. And they've been exposed for seven church ages. Not exposed like they're exposed today, but they've been exposed all along by the Word of God. And people still don't believe.

(14) Wherefore he saith! (Now watch:)

(13) !all things !are reprov'd! that are reprov'd are made manifest by the light:

God deliberately brings to pass a revelation by the Holy Spirit that plays upon the minds and the spirit and particularly down into the soul of the Bride; the true church, even into the foolish virgin, because remember they're virtuous, cut from the same cloth. Now he said, !God brings that to light, and makes it manifest.! Now watch:

(14) Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give

thee light.

**6** Now we read over here, "While men slept," through seven church ages, there was the planting of these tares. And it says here that these people that Paul is speaking of are not dead as though they need quickening, they are simply asleep at the switch.

Now he said,

(14) "Awake thou that sleepest, and arise from (amongst) the dead"

These, in many cases, you'd call soulless, natural brute beast animals that are out there sowing the tare life. Now a tare is not wheat. The tare is a curse upon the earth. You find that right in the book of Genesis. "Curse the earth for thy sake, and unto thee it's going to bring forth weeds and brambles. It's going to cause you to sweat." Now that's just the natural from the soil. What about these people here then, that are not just simply tares, brambles, that come from soil that hinder us in our daily search for living? What about these that come and would hinder us from the things of God?

**7** Now he said, "Look, at the time when God is manifesting. See that you are wide-awake. Get away from the dead. Come out of them." It's always been a coming out message, it's always been Revelations chapter 18. "Come out from among them, be ye separate saith the Lord." See?

Come out from those dead churches. They're dead, but they're still causing tremendous havoc by the natural brute beast life that they have within them. It's a mess. See?

(15) See that you walk circumspectly, not as fools, but as wise,

(16) Redeeming the time, because the days are evil.

(17) Wherefore be not unwise, but understanding what the will of the Lord is.

In other words, when God manifests and brings a revelation on the scene, that's which you go hook, line, and sinker for. To disassociate yourself from these dead and sleeping tares that are worshippers of God, or gods even. And they have nothing in them but death.

Now the serpent came and said, "Didn't you sow good seed?"

He said, "Certainly."

**8** So the kingdom of heaven deals with mankind as mankind is and mankind started out in the pure Adamic race. There is now two ways about it; there they were in the Garden. And the good man says, "An enemy did this." Now strange that Eve took this enemy as a friend. Better be careful who your friends are. Evil communications, evil companions, corrupt good manners. Birds of a feather flock together. Pretty soon tarred with the same brush.

That's why I am so happy to see children in their own home schools, we should do anything we can for them, to help them. And go one step better than the Seventh Day Adventists, the Amish, and the whole bunch. We were already many steps ahead because we have the truth. And the truth is life, and you can do nothing against the truth but for the truth. Harder these people try the more God raises up the standard.

So he said, "Shall we pull them up?"

â€œNo, lest while ye gather up the tares you root up the wheat also. Let them both grow together until the harvest.â€• [Mt 13:29,30]

**9** So the Kingdom of God, starting out with good seed, will end up with a tremendous harvest of rotten seed. Like for instance in the beginning you say God planted oats, but the end of the trail is wild oats, all is fit for burning. I donâ€™t know if you know anything about wild oats or not, but wild oats many times look better than tame oats. And when the harvest time comes, you take and try to shell it, ainâ€™t nothing in it. The horses wouldnâ€™t want it, the cows wouldnâ€™t want it, and nobody wants it, now if you cut it green it might be all right, or turn it under the ground as green manure fertilizer, I donâ€™t know.

But, these people have nothing. â€œBut let them grow together and gather together first the tares and bind them in bundles to burn them, but gather the wheat into my barn.â€• [Mt 13:30] Now Bro. Branham said very truthfully, â€œThat though this is a parable, in the time of Jesus its fulfillment is a fulfillment in this last hour as it never was fulfilled before.â€•

Because Bro. Branham said, â€œThe beginning of the age God brings his ... again at the last age, beginning at the first age. God brings his prophet, his witness on the scene, whatever that man is.â€• Brings him on, brings the message. He is rejected except by a few Bride. And then God takes away his faithful servant, and pulls away and slumber the little Bride there. And then at the end of that age, starting a new age, comes another messenger.

**10** You see, there is no such thing as the actual pairing up, bundling and binding and burning, that there is at this age, because this is Malachi 4. And people that really donâ€™t have a clue about that, they try to give it all to the Jews. Funny thing is they want to take what the Jews have and they want to give to the Jews what they have. But Bro. Branham speaking here then, about the seed of discrepancy. Heâ€™s mentioning that this is particularly for the end time. And youâ€™ll notice that, in the beginning which is the Alpha here, where this parable starts out going way back to Genesis. Goes all through Israel, goes into the New Testament church, and all the way down to the very end there. That if you go back to the beginning where man is involved in the Kingdom of God, and he is the sowing of mankind; you know right away, as God said to Adam and Eve, â€œBe fruitful and multiply, replenish the Earth.â€• Even as he said in Jesus, â€œYouâ€™re the beginning of my generations.â€• And as that son was in God, we were in him. So weâ€™re still apart of God.

Now, so looking at it, they became fruitful and multiplied. Now we understand how they did it all wrong but just bypassed that. How is it possibleâ€¦ that Eve and Adam could bring forth two children with such a disparity, such a difference, such a disagreement, such an inconsistency, because Cain had no trouble killing his brother. No doubt he cut his throat with a jagged piece of flint stone, poured the blood upon the ground, bashed his head in. And then when God said, â€œThe blood of your brother cries from the ground.â€• He said, â€œSo what!â€•

**11** Eve got from behind the Word, and she fell for Satanâ€™s lie, but she was seduced, and she didnâ€™t show criminal tendencies. There was nothing in her that wanted to actually rebel against the Word, and throw the Word out of her life, because she didnâ€™t deny God, didnâ€™t deny what God said. She just listened to the wrong one interpreting the Word. So she got off that Word, but you look at Cain, thatâ€™s a breed of a different color entirely so, it was easy back there to tell. Well there is no way that Cain could be the son of Adam, and the Bible bears that out, as science bears record that Eve is the mother of all living, but there is no record of a single male being the father of all living. Just, there isnâ€™t, thatâ€™s scientific. Itâ€™s also scientific that man came out of Africa.

I laughed that one time this preacher from New York that is supposed to have all the

answers, he didn't have the Garden of Eden down in Africa. Whether you believe it or not, that's what Bro. Branham said, that takes care of it. And the cradle was down there, because you're looking at all of these things coming out of Africa, proving Eve was the mother, one mother, but she had two men who became fathers to her children.

**12** Now, what kind of a person do you think Cain was, that he could just simply grab Abel and kill him with no problem? Well he studied the murder scene of the century out in L.A. You wonder the same thing, how a man could grab two healthy people and slit their throats. I wonder at that myself. I don't know who did what to whom, but my thought here is you better believe that this fellow was a mighty big fella. That's where the giants came from. And it was easy to tell, no problem, the seed of discrepancy, you could tell right away there was a difference.

Hey there is something here that jangles, or something doesn't fit. There something trying to take over that doesn't belong, this does not work, there is something we're missing. And I am going to tell you something, all through seven church ages, that has been the theme song: "Something is missing, something is missing, something is missing, it doesn't fit, it doesn't work." That's why people continually sought light.

**13** Now at the end time they better rise from amongst the dead. Because God has certainly made manifest what the truth is by vindication. And if that doesn't stir people up, if vindication does not stir people up; I don't know why they bother, even to bother with Bro. Branham.

I got a letter the other day from a real individual out there in North Dakota. He wrote his name on it, his name is Rusty Kuba (?). He is quoting everything under high heaven to make Joseph, Joshua.

Bro. Branham categorically said Joshua is the Holy Spirit, our Joshua. He said that Joseph said he was Joshua. I believe that's a lie. Don't believe Joseph said that to anybody. I believe the guys not only off the Word, I believe he's a liar, a barefaced liar. Why doesn't he quote the time Bro. Branham was in New York in December, and admitted publicly that he was absolutely Elijah? Always looking for something. The guy doesn't have a clue to vindication, he can't have!

And if Joseph tried to rise up as a prophet to supersede Bro. Branham, he'd be phony as a three-dollar bill, because we have got the original. Now, there's one thing of course at the end time, in the first place, Cain and Abel, forget it you could tell right now who was who, and for centuries you could tell. But the time Jesus came to Jerusalem, you couldn't tell, you could just feel something wasn't right.

**14** Back when I was in Pentecost, I couldn't deny what God has done. But I sure had that bug-dug feeling, never got over it till I got in the Message. There was a discrepancy, there was a chattering, the gears were chattering.

See, I wasn't moving up the road, something's wrong. Back in the beginning, simple was ABC. Back at the time of Judas and Jesus, simple as ABC. If you looked at it correctly, but even back in Jesus' day, it wasn't too easy to tell. Now in this day, there's a razorblade edge difference and that's all there is.

And the seed of discrepancy, serpent seed in this hour, is you're dealing with people across the board. That you couldn't tell if you tried. And tried to prove on your own, that these people are bride or non-bride. It is so vague and so difficult, that is to bring forth some type of manifested testing. Like if Joseph claimed he was Joshua, which I am sure the boy never claim that for 15 seconds. Where's his proof? What sign does he show us? The Bible says. "When a

true prophet is on the scene another prophet comes by and show you a sign, it is only for one reason; take you away from the truth, because he's a false prophet.

**15** So at this the end time, there is one thing that stands sure, "The foundation of Gods standeth sure having this seal, the Lord knoweth them which are his." [2 Tim 2:19] And there is not one He's going to fail to call. And the evidence of being a true child of God in the hour in which you live, is the genuine faith, which is a true revelation of the Word of Almighty God. Which is the only righteousness that you can have.

See, like sin is unbelief, smoking, drinking, carousing. Attributes, they come from the mother-load. If a person truly believed Bro. Branham's Message, with a sincerity that we seem to lack. There would be more consistency, but that still would not prove that you're Bride. The only proof that you and I have, is concerning the revelation of the hour, because that's what the Scripture sets forth.

**16** Now, so Bro. Branham, in dealing with this subject, talking to the Full Gospel Business Men in Arizona, on page 10 where he left off, he said,

[SEED.OF.DISCREPANCY PHOENIX.AZ V-12 N-5 65-0118]

[50] Now we find today this discrepancy has shown throughout the age.

Sure it has, soon as God brings the light, the enemy rises up to bring in something else, add to it. See, people are just like their father the devil. They will not subscribe to the sovereignty of God. Even as the devil said, "I will ascend above mountains and the clouds, even above the Most High, I'll not only be like God, I supersede Him." Well, hey, you don't find people down here saying that. No! Does the pope come along and say, "I am greater than God?" No! He said, "I am the servant of God, I am the vicar of Christ, I am here in His stead." See, people fall for it. See?

**17** Every age, brings forth the error against the truth, and you better believe the greatest error your going to see in these days is against the revelation of the Rapture. Because that's the one thing the Bride needed as the crowning doctrine. Where she would understand the events and that which pertained to it.

[50] "If it was possible to go into the next ten to fifteen minutes I'd do it, but you can't. Down through the ages, most of us all read the Bible. And now like when Jesus came, and he found that discrepancy, that difference, he found what was contrary. See?"

The commandment was not given to the serpent, "Be fruitful and multiply." It was given to Adam and Eve, and she blew it, when she went into liaison, with that serpent. Hard to understand. Other words, woman today have more morals than she had, what in the world happened?

[50] "He found that which was contrary."

Now watch, contrary to what? Contrary to Him. First of all, He was the Word made manifest. He was God's interpretation of the Word. That's right. "Search the Scripture, for in them you think you have eternal life, and they are they that testify of me." And He said, "If you get the right clues to the Scripture, if you search, you are going to find Me there." Well then he was the Word of God manifested. He was the interpretation of the Scripture.

Just like John the Baptist, "Who are you?"

"I'm the voice one crying in the wilderness, Isa 40:1, that Word of God made manifest in flesh, because I'm fulfilling that Word."

What Word? The Word that devolved upon them, they received, and thereby became. Think it over. There you are. He was the interpretation of the Word. Bro. Branham said, "God interprets the Word by fulfilling it." He was the fulfillment.

**18** Now watch, and every born again son and daughter of this age, is the interpretation of the Word. You are written epistles read of all men. Yes, now, right now that could come up pretty lame. So how in the world could I be an interpretation or manifestation of the Word of God? What in the world have I got? And you start looking for gifts. Well now, you going to compete with THUS SAITH THE LORD of a prophet? Are you going to compete with a man who said, "I challenge you, bring me 25 of your worst cases, guaranteed healing for all?" And nobody came, so God healed about eleven thousand with not one dropout. We never only got twenty-five, we got forty times that. At that time I didn't even think of it myself. Not one miss, stand right there, cast out devils left and right.

Devil didn't come the first time, become! He better look out the third time he was gone. You going to compete with that? Where do you place your rebirth? "Born again not of corruptible spora." In other words, dusted by the pollen that comes from the air any old where. I'll take this, I'll take that. You get born again Pentecostal, born again Seventh day Adventists, born again Mormon, born again Islam. All going to hell. Not because I say so. Born of the incorruptible Word; which tells you, no discrepancy, this is the measuring line, the plumb line, hey! It fits!

**19** Well, just a minute, who are you to tell me it fits? Shut up and sit down! You don't have a clue to God and his prophets! See that is why I get turned on so desperately and so strong, and when people come after ten years sitting under a minister, "Bro. Vayle, I begin to understand today because [you] preached vindication so strongly." Where are the rest of the preachers? I'm not the only one. I'll challenge you, you line up men's sermons against mine. You're going to find out, day in day night, we build our hope on the Word of God interpreted by bringing it into manifestation with THUS SAITH THE LORD behind it! We are therefore those of perfect faith completely righteous. And we are manifested before the world! why? Because as Jesus said, "To which good deed do you stone me?" [Jn 10:32]

"Oh, (they said,) shut up, you know we love the sick healed. Feed our sick, raise our dead, but shut your mouth!"

Paul the apostle said, "What are you trying to kill me for?"

I'll tell you why, "Because you call heresy what I preach, vindicated life of Jesus, and vindicated in my own life."

Now why did he say to those who are the manifested children? He said over here in the Book of 1 Corinthians, ah well, I'll get it for you. They were fussing, "I'm a Paul, I'm a this, I say that, ..." says the other thing. What's going on here anyway?"

**20** Here's what the apostle Paul said, he said,

[1 Corinthians 14:]

(32) â€ˆthe spirit of the prophets are subject to the prophets. (And he said here,)

(36) What? came the word of God out from you? or came it unto you only? (Now watch:)

(37) If any man think himself to be a prophet, (Itâ€™s a five-fold minister prophet) or spiritual (You know what a spiritual man is? Heâ€™s not carnal. He lives in the spirit, he walks in the spirit, he discerns spiritual things, the spirit of Godâ€™s in him. And what does he say about them?) let him acknowledge, that the things that I write unto you (Not Peter, not James, not John, not anybody.) are the commandments of the Lord.

Now, do you want to be a manifested child of God? Well, weâ€™ll ordain some you ladies to tippy-toe across the street and platform and pray for the sick and yahoo and wahoo, but not around here. You men that want to be some big shots, weâ€™ll do the same for you, but by the time we get finished, weâ€™ll throw you out the door. Do you know itâ€™s the grafted Word of salvation that you received to be saved? The uncorrupted, incorruptible Word of Almighty God that we received into our souls. Thatâ€™s the manifestation.

**21** You got everybody running around and say, â€œWell Joseph, God can do this, and this man got to do that.â€•

Iâ€™ve said it before, Iâ€™ll say it again, â€œThe truth of Joe Branham is that he is a prophet,â€• never doubt for one minute.

So Billy Paul said, â€œDaddy what about it?â€•

I guess he wanted some signs in a hurry out of the basket.

His dad said, â€œDonâ€™t you worry, he is a prophet, but it all depends on the crowd heâ€™s with. If heâ€™s with the wrong crowd, heâ€™ll be a prophet unto men, if heâ€™s with the right crowd heâ€™ll be a prophet unto God.â€•

And somebody wants to come along and depose and dispose of Bro. Branham, vindicated prophet of God with the Pillar of Fire. Ho, ho, ho! You do what you want baby, but donâ€™t come around here with your filth and your stench. Iâ€™m not interested.

**22** I want to have this Word to such a place when I think anything about the Word, I think what William Branham said. And donâ€™t care about two bits about what I have said or anybody else has said. Change nothing. â€œ

[50] You are the written epistles, the Word, read of all men.

What do you believe about this? I believe, oh, a heretic, get out of my hair. What do you believe about this? I canâ€™t take what you say, no, no, no. Youâ€™re wrong. Just give me a sign that youâ€™re right, see, they canâ€™t do it. Now theyâ€™ve got themselves on a spot. Now whoâ€™s the one that can give the sign? This age started with a vindicated prophet, it ends with vindicated prophet.

**23** The same Pillar of Fire that brought the Word to Paul is here revealing the Word to you and me, and thank God we have the right revelation. If we could go to 1 Th 4:16, where we see our destination caught up to be with the Lord, caught up meet Him in the air. And it tells you:

(16) â€ˆthe Lord himself shall descendâ€ˆ with a shout. (With a message, to put the church in order.)

They think itâ€™s some little gift in a room. I couldnâ€™t understand why Bro. Branham didnâ€™t lower the boom on those guys that ran off like a bunch of scalded dogs. He slogged in the room there with you. He desperately wanted him and me to get together, so we could have gifts, because he knew that I understood a certain amount about them and Iâ€™d listen to him. Whatever he said would go, if he wanted written it would be written, no problem. Never could get it.

So he said, â€œIâ€™ll go in there with you.â€•

Oh Lord I wish Iâ€™d a been down there to go in with him.

I would of said, â€œBill letâ€™s you and me go in.â€•

Maybe heâ€™ll tell me to get out. Fine by me, thatâ€™s good. Nah, they didnâ€™t want even that. No, the last I hear is this guy that, you know, played me for a sucker, moved to Calgary now, you know the Latter Rain guy. So full of arrogance, to be absolutely pitiful heâ€™s going to lead two million people to the millennium. Ho, ho, ho, he gets up in the pulpit, he said, â€œI got an interpretation that tongues written out here. Whose going to give a message in tongues?â€•

Nobody gave a message, so he said, â€œIâ€™ll just read it anyway.â€• And people sit there thinking the man has one clue to Bro. Branham? You know that guy wouldnâ€™t even qualify in a bucket of puke. Iâ€™m not being mean about it, I am just telling him merciful God. People say they believe this Message and havenâ€™t got a clue to vindication. Vindication means: â€œThis is it and there ainâ€™t nothing else, take it or leave it. Like it or lump it. Live or die. Sink or swimâ€™.â€•

Unless you for that attitude brother/sister, you donâ€™t have what I believe Bro. Branham was here talking about.

## **24** Now

[50] â€œHe said, notice, in vain do they worship me, teaching discrepancies for doctrine.â€•

Now these people are the manifested epistles of God. Theyâ€™re not worshipping in vain. Theyâ€™re teaching the truth, these others are worshipping in vain; teaching the doctrine of discrepancy, the doctrine of men, the doctrine of creeds, teaching that to be the Word of God. Why it has nothing to do with the Word of God.

Complete reject adding or taking a Word. Now, do these people at all understand that theyâ€™re believing and worshipping according to doctrine? See? Identifies them. We come along, we say, â€œBro. Branham, thy vindication said the events leading to the Rapture, are the Lord himself, Jesus, thatâ€™s Jeshua, Jehovah Savior, not the Lamb. The one that went from the Pillar of Fire to his own Son. Left His own Son. Raised him, put Him on the mercy seat behind Him, was now on the Throne. Thatâ€™s the one youâ€™re dealing with. Why would you want to deal with Jesus?â€•

He said, â€œI donâ€™t know anything except the Father tells me, and I canâ€™t do anything unless He letâ€™s me.â€•

**25** Thatâ€™s like the joke Bro. Branham liked to tell about the guy that was overseas, it was a joke he told, Iâ€™ll tell it here, I think told itâ€™! I am sure I told you before. But a joke worth telling, itâ€™s a good joke. So this guy didnâ€™t have any religion. He was nothing from nowhere, so they said, â€œWeâ€™re going to hit theâ€™! over the top tonight at midnight. Going to be a most you not maybe come back desperately wounded or dead. And you better have some kind of peace with God

and faith, that's what I'd advise you.

This guy didn't know where to go, so he went to the Catholic church. He got some indoctrination. And sure enough the day came when they had to go to the top of the trenches. For something like the Battle of Balaclava. Into the jaws of death, into the gates of hell rode the five hundred, but not all came back.

Well, the poor guy was up there, and he felt something trickle down his side. You can get shot and not even know it, those high-speed bullets. He looked down and he found blood. He was telling the story to a friend of his. How he went over the top and what it felt like and how he got shot. The guy was a catholic. And he said,

I suppose you said some Hail Mary's quickly?

He said, Shucks no. I don't go to the no secretary, I go right to the boss.  
[Congregation Laughs] [End of side one of tape]

**26** It's not a nasty joke, it's the truth. Why would you, when you have vindication so plainly vivid and the Word of God so plainly given, that you just can't get rid of all your feelings and all your emotions, and everything else, and say, Listen a Bible is a Bible, a spade is a spade, flannels flannel, cotton is cotton, peonies are peonies and zinnias are zinnias?

People just go wacky from being intelligent sane people. Mush head, cotton head, you can't build with that brother/sister. You ain't going nowhere with that. This is the only Message that has life. And the life has been proven and they turned it down. And they crucified of themselves the Son of God a fresh. How can he say, You dare to try to worship God?

And you can only worship and serve God through a prophet. Bro. Branham said, and he said it so correctly, I said that to a fellow that suppose to be a Christian, a dentist. Floored him, he wouldn't believe it if I took it out of the Bible. Deuteronomy 18: they can't do it, not when his wife runs around with slacks and haircut, and everything else. I don't care if he's educated, pffft on his education. The old gal that washes clothes over a washboard, with three tapes is way better off. Than the guy with half a dozen university degrees can fill your teeth and do this and do that. I'd sooner have somebody fill my heart.

Not a lot of emotion and guess so and froth, with the solid vindicated Word of Almighty God that I believe. '?... This day is the different day from all ages.

**27** This is the day when the two spirits are so close. Poured upon all flesh, sons and daughters prophesying; every manifestation. Maybe ninety nine percent is all of the devil. We haven't seen anything yet I suppose of what we're going to see by way of these false things coming on the earth. But brother/sister, listen to me, no matter what comes, close your eyes and know anything from this point on is a counterfeit.

People say, God, I'm praying and fasting, make me this and make me that. Oh stop that nonsense. God make so strong with your Word that nothing matters. I got the correct revelation, thereby do I worship thee, because Thou art the Word, I'm a part of the Word. See?

Now Jesus said it himself. Now if he said it two thousand years ago, what about today? Hebrews 6: And I'm going to tell it to them, you will outwork the horse any day.

**28** Well, we've gone far enough today. Who know what happens tomorrow, maybe nothing.

But weâ€™ll just kind of put this down here. Before I end upâ€™! So all right, seed of discrepancy, seed of discrepancy. Different from the pattern.

Evil in the most sin insidious way, trying to take over; refusing to recognize the sovereignty of Almighty God. The church has come full bloom to the place, where the church is sovereign. The pope doesnâ€™t care two bits about the God he says he represents, the Christ heâ€™s suppose to be here for. Heâ€™s in Mariolatry, heâ€™s in idolatry. He doesnâ€™t care two bits to sell your soul into hell. Thatâ€™s his job.

Allâ€™! No church is any different. The discrepancy, the difference is there. Iâ€™m so glad that thatâ€™s what caught my attention. How are these people doing these things, is reserved for the true child of God in gifts and ministries and proper order? And then Bro. Branham taught, â€™Anointed Ones at the End Timeâ€™. And I knew the razor blade difference.

**29** The greatest error is one Word off. Now, I want to ask you a question: â€™elf the greatest error is one Word off, and William Branham brought the pure and perfect Word, the same as Paul did; do you think maybe thereâ€™s a possibility that someone in our ranks will rise up and deceive just about everybody?â€™

A lot of people got fooled by Shelly. You can get fooled by him and some of the preachers running around the country; Iâ€™m going to tell you one thing: You never were set straight in the first place. Why not give the Word of God a chance, buy full acceptance, and see what Life comes forth. And what comes forth this last hour? Well, let us rise and be dismissed. All right.

Heavenly Father we come to you this morning hour. We thank you for your kindness and your mercy which youâ€™ve extended to us. That we have this day that Youâ€™ve given us Lord, and this hour, that we come together to worship You. But above all Lord it would be very insensitive of us, and very ridiculous, for us to come here to worship You, if we did not worship You in Spirit and in truth, weâ€™d be like those citizens in the time of 1 Corinthians, who came together and they left worse than when they came. And thatâ€™s how we would be. And this morning itâ€™s the same thing, if Iâ€™ve taught these people error, and stirred themâ€™! And steered them anyway what so ever from the truth. Then theyâ€™re in worse shape than when they came. And Iâ€™m in worse shape because Iâ€™m adding insult to injury continuously.

But Lord, weâ€™ve said very little concerning Your Word as pertaining to doctrine. But weâ€™ve set forth what does constitute the basis for the reality of true doctrine. Which is Your vindicated prophet. Which we know come only very, very irregular times. Great juncture. And weâ€™re happy Lord that we know the truth, and the truth has set us free. And we pray Youâ€™ll confirm Your Word to us. May we be faithful witnesses all the time. In our thinking, in our speaking. So whether we confer with strangers or weâ€™re conferring with each other. Or within our own household Lord. We are only conferring on the basis of a truly revealed Word. Filling out hearts and our minds with that Word. And thereby also putting on the garment, the Wedding Garment. Without which, no one can enter into the Wedding Supper. Where the others are left wailing, gnashing their teeth in the great tribulation. Too late understanding, because they were of the crowd that always looked back, and always looked forward. But never stood there to know what was in their hour. So we commend ourselves under the Father, heal the sick amongst us, give grace to those Lord who are going through hard trials and times. Strengthen each believer Lord as never before. And may the God of all grace be praised as never before. The Christ be exalted.

Help us Father, we know that You have helped us by giving us a prophet and the true Word. And now each day we believe that You add to that Word upon Word. One day we know that, that stature, that measure shall be reached Lord. It has to be because that is the Word of the Living God. Right up to Headship. So we thank you for all of this Lord, commending ourselves to safe journey,

mercy, whatever else is needed. Unto the King eternal, immortal, invisible, the only wise God, be all power, honor, and glory through Jesus Christ our blessed Savior. Amen.

â€™Take the Name of Jesus with You.â€™™
