

## The Gene of the Beast; Natural Brute Beasts

**1** Shall we pray. Heavenly Father, we thank You for Your Word of Life, which has been vindicated in this hour, though It has been turned down repeatedly, until Itâ€™s been narrowed to the place where the ark holding eight people is once more in view; very, very, small percentage. We donâ€™t know if it will be even as many as five thousand people standing here, Lord, to be changed in immortality, which weâ€™re not concerned about. But we are concerned, Lord, about Your Presence at this point, Elohim Himself is here bringing all things unto the feet of Jesus who, would in a future time, will turn all things back to the Father. And we are being readied by God Himself, Pillar of Fire, to lead us into the Millennium.

All these things, Lord, we know by absolute truth and vindication which passes and surpasses reasoning, and weâ€™re glad, Lord, because that we could never reason the thing out. Weâ€™d only fall back and days which have gone by weâ€™d be in even worse shape than ever. But weâ€™re standing on a revelation, Lord, and weâ€™re grateful that it has been proven to becoming from You. Now, help us in our further studies this morning Lord, as we go into what Bro. Branham said concerning the seed of discrepancy. We give You the glory in Jesusâ€™ Name. Amen.

You may be seated.

**2** Now this would be number nine of the â€œSeed of Discrepancyâ€•. When Bro. Branham chose this title, wherein he desired to speak of and affirm the reality of existing human, (And I have no other choice but to use the word â€œhumanâ€•.) entities or persons, who are definitely a departure from the original two children of God, Adam and Eve, he went to Matthew 13, wherein Jesus himself refers to Adam and Eve, and their own progeny and true descendents, as children of God by Godâ€™s Own sowing and another group, who are called the children of the devil, or the seed and the sowing of the devil.

**3** Now in there, youâ€™ll notice that I have interjected Adam and Eve in the parable. And the reason I do that is because Jesus himself, in John 6 and mostly in John 8, and later weâ€™ll read in Romans 9, that the original sowing of God was Adam and Eve, and they were to multiply, to propagate, and to replenish the earth. And these would be the children of God, which God actually was their Sower or their Source. You can find that in Genesis, where It says, â€œGod breathed into Adam the breath of lives.â€• [Gen 2:7] And you notice that Adam was already a spirit-being with Eve, and they were one spirit united together. And then, now, itâ€™s in this one body.

And youâ€™ll notice It says that, â€œHe breathed into Adam the breath of lives and man became a living soul.â€• So, what youâ€™re seeing here is actually the propagation of God by Godâ€™s Own Soul, or Godâ€™s Own Life being imparted to Adam in order that the sowing of Godâ€™s! And itâ€™s very definite because Jesus interpreted the parable, that there are definitely children of God, and there are definitely children of the devil.

**4** Now, letâ€™s just keep going on. I wanted to let you know because, if you read chapter 13, you wonâ€™t find Adam and Eve there. But the point is: who do you find there, if you donâ€™t find Adam and Eve? See, you justâ€™! Youâ€™ve got to go back to Genesis, where the sowing was.

Now the field wherein both seeds (Thatâ€™s the seed of God and the seed of Satan.) are sown in is the field of God, and God alone. Now, notice; it was the field of God. God sowed in it. An

enemy came by in the same field; he sowed. Now youâ€™ve got to just take it as it is written. This field is called by Paul, in 1 Corinthians, â€œGodâ€™s husbandryâ€™. He said, â€œYou are Godâ€™s husbandryâ€™, or you are Godâ€™s field of planting.â€• [1 Cor 3:9] So therefore, God has planted in the time of Paul. He has His very Own children.

Now, thus, it is clearly seen that two different seeds from two different sources (one called God and one called the enemy of God or the devil or Satan or the deceiver, the serpent; call him what you want) have been sown in a common field that belongs to God. And this field has now yielded, and continues to yield, two species or two kinds of children from two different sources. Thatâ€™s right.

**5** Now, since Jesus explained his parable there is no longer any problem with the evident truth of where these two seeds actually came from and how they came. Let us face it; both Adam and Eve were the seed or children of God and were called seed on the basis of propagation: first of all, propagated from God, and then theyâ€™re going to propagate. And remember; the life is in the seed. Adam and Eve both have the same life and were of one species and could, in mating, produce nothing but replications or images of their own selves, (Yes) of the original and God produced cells. Thatâ€™s all they could produce.

Left to them, they would produce themselves exactly and, thereby, reproducing the children of God because God breathed into Adam the breath of lives. And so, therefore, the lives that would come down would be in seed form and would be a portion of the Holy Spirit or the life of God Himself, as Bro. Branham said, â€œGod did not simply breath a breath; it was the Holy Spirit.â€• Anybody would know that, unless you want to, you know, fall away from the truth.

So, Adam and Eve both have the same life and were of one species. Pigs bring forth pigs; dogs bring forth dogs; hens bring forth hens; horses bring forth horses; God will bring forth children of God. And I donâ€™t care how He does it. But weâ€™re told how He does it, and weâ€™re into it.

**6** So, Adam and Eve both had the same life and were of one species, the God species, and could in mating produce nothing but replications or images of their own original and God produced selves. But the woman does not carry seed, even though she herself is a seed. The woman is a field of which the seed is buried for a period of about nine months, and then, she gives birth to the body that was blue-printed within the seed, though the seed itself, the covering (you want to call it that) is a matter of a substance, but the life inside is a genetic pattern. And the genetic pattern is a God pattern that came from God and is a part of God.

Thatâ€™s why you can find that every place in the Bible you read: God has eyes, He has ears, He has a nose, He has arms, He has legs. Heâ€™s even got stomach that gets upset with; people make Him vomit or just about. He has a heart. He has a soul. Like Bro. Branham said, â€œGod was the first man.â€• Of course, thatâ€™s a statement of an intimation. Jesus the second; Adam the third and weâ€™ve been brought on down. Because God said in Adam, rather, in Jesus, he said, â€œIâ€™ve begun my generations in you.â€• Thatâ€™s why Paul said weâ€™re all in Christ, and we went into that.

**7** Now, Adam was also a field in that he carried seed. But that seed could not bring forth outside the woman. So, we get what Paul says about that in 1 Corinthians 11, so that we are on the proper scriptural understanding. And It says in verses 8-12:

(8) For the man is not of the woman; but the woman of the man. (That goes right back to the Book of Genesisâ€™perfectly correct.)

(9) Neither was the man created for the woman; but the woman for the man. (Thatâ€™s where

the life was. See?)

(10) (Now) for this cause ought the woman to have (Thatâ€™s a sign of authority.) on her head because of the (messengers).

(11) Neverthelessâ€

I wish that wasnâ€™t in there. Thatâ€™s an interpolation which goes into a spiritual understanding of why woman cannot cut their hair. So, we could read this over again.

(8) For the man is not of the woman; but the woman of the man.

(9) Neither was the man created for the woman; but the woman for the man.

(11) Nevertheless neither is the man without the woman, neither the woman without the man, in the Lord.

(12) For as the woman is of the man, even so is the man also by the woman; but all things of God.

Now this is the way God laid it out: the original of God bringing forth His children. He did it in this particular way. All right.

**8** Now in the original plan of God we find Paul speaking of seed, producing or developing into bodies. So, this is 1 Corinthians 15 on the Resurrection, but donâ€™t let that bounce you around. Heâ€™s absolutely giving you some truth here, regardless of genetic truth, and he says here in 1 Cor 15:35-39:

(35) But some man will say, How are the dead raised up? and with what body do they come?

(36) Thou fool, that which thou sowest is not quickened, except it die:

(37) And that which thou sowest, thou sowest not that body that shall be, but (a) bare grain, it may chance of wheat, or of some other grain.

Now, thatâ€™s the way a woman gets pregnant. The man does not sow in the womb of the woman, a body. Thereâ€™s no way. Itâ€™s an infinitesimal little tiny sperm that youâ€™ve got to put under a high powered microscope to see, and though the ovum is much bigger, you still have to put it under a microscope, also, to see it. So, what heâ€™s telling you hereâ€ We just keep reading.

(37) (Now,) That which thou sowest, thou sowest not (a) body that shall be, but (a) bare grain, (a little tiny seed) it may (be)â€wheat, (It may be oats, it may be rye, who knows? But in there is another plant producing further abundance of seed which in turn keeps up the production. Now, watch!)

(38) But God giveth it a body as it hath pleased him, and to every seed his own body.

(39) All flesh is not the sameâ€ there is one kind of flesh of men, another of beasts, another of fishes, another of birds.

Now, thatâ€™s what it tells you about how the seed carries within it the genetic pattern which under proper conditions sown must bring forth what was ordained of God in that spirit to have that

particular body. Now, when God did this to Adam and Eve, it was a very special work of His Hands, and that cannot be said of any other thing. Everything was simply a Word creation. But God did deal with His Own children, not just in a sympathetic manner, but now in the paternal manner, even as children are brought forth today by the fact of God ordaining that particular process.

**9** Now, watch in verses 40 to 49. [1 Corinthians 15]

(40) There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another.

In other words, you make a comparison, and you begin to see that always there is that which is always important because God did not do anything which was not good and important. But, you see, thereâ€™s a gradation, a gradation of what you might call, that which is outstanding or standing out before you, so that you can make an assessment and say, â€œWell, this really is more important than this. And that is more important than the other.â€•

Now, listen; you canâ€™t do that. All you know is that there are some things that are startling and stand out, but they are no more important than that which does not stand out and even cannot be seen. See.

**10** Like your body is made of multitudes of cells. Every single cell is important; every one is vital. And if it werenâ€™t for the multiplicity of cells, you wouldnâ€™t have body, period. And so, youâ€™re looking at this comparison, and we must be careful in doing it because Paul speaks of the Bride of Christ, the Body of Christ, he said, â€œThere are those members that do not seem to be important, but believe me they are important because God has in His grace and in His Own wisdom given them a comeliness and poured upon them that which makes up to them what seems to be missing, as you look at others in the Bride of Christ.â€• [1 Cor 12:23] Like, for instance, you look at Bro. Branham, and you say, â€œMy, my, my, heâ€™s with Moses and Paul and what a great tremendous man.â€•

Yeah, but look what God said about you. See? Thereâ€™sâ€! You donâ€™t have to worry.

**11** 41) (Now) there is one glory of the sun, another of the moon, another [of] the stars; (Now, that talks about intensity illumination, and thatâ€™s true. And) one star differs from another (in intensity of illuminationâ€™being outstanding.)

(42) So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption:

(43) It is sown in dishonour; it is raised in glory: (Now, every single birth is sown in dishonour. In other words, it must die, it must pass away.) (Now, itâ€™s raised.) It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power:

(44) It is sown a natural body; it is raised a spiritual body. There is a natural body; there is a spiritual body.

(45) â€!so it is written, The first man Adam (became) a living soul: the last Adam (became) a quickening spirit.

(46) Howbeit that was not first which is spiritual, but that which is natural; â€!afterward that which is spiritual.

(47) The first man is of the earth, earthy: the second man is the Lord (of) heaven.

(48) As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly.

(49) And as we have borne the image of the earthy, we shall also bear the image of the heavenly.

Now, what I read this for is to explain to you that only in the Resurrection can everything come forth the way God really wants it.

**12** Now, to begin with, there was the ability for corruption to set in, but at the end time, corruptibility gives way to incorruptibility and mortality to immortality. And in the Resurrection and in the processes of re-creation you are going to see the perfection that God wanted to bring forth in His planting, so that even when you talk about the sun, the moon, and the stars, you're talking about a planting, even though they're not animate, because they're going to be dissolved and brought back in a resurrection. You're talking about the human being, which is the most important—the children of God.

So, we want you to know here that, no matter how people may disregard and attempt to refute the understanding of what Bro. Branham is teaching, that there are literally children of God. Just like a sex act, because it comes by a sex act. That's how they're brought into the world.

**13** Now, the Pentecostals and the majority of people do not understand sovereignty; that's why I talked to you this morning the way I did. They don't have a clue to sovereignty. Their god is a god of their own imagination. They worship God according to how they want to worship God. They take the Bible and tell you what they make it to say. I don't understand, except that it's explained here, but that's the way they do it, because I can read. I've no trouble reading. I don't have a tremendous IQ; I don't need one. I can take a ten year old kid, and he'll understand. By the grace of God, a seven year old will understand. But these theologians don't understand. It's not in them.

So, the Resurrection brings forth the true harvest. It brings forth what was in there originally which had an interruption. But now, through death, it will come back and be exactly the way God wants it.

**14** Now, let's go to Genesis 3, and we begin to see the seed of discrepancy, the seed of the devil, the serpent seed, the seed of the enemy, along side the seed or the children of God that God Himself planted, putting into a human form. So, in Genesis 3:

(1) The serpent was more subtil than any of the beast of the field which the LORD had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

Now the word "subtil" there, actually comes from "a smoothness". And I've often said, have you ever seen a snake with hair on it? I don't think anybody ever did—the serpent.

(2) The woman said unto the serpent, We may eat of the fruit of the trees of the garden:

(3) But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

Now we know, you know, right jolly well, the Bible distinctly says that every tree that came out of the ground in the Garden of Eden was good for food. Now this tree will kill you. So, it never came out of the ground. Right? So, he's not talking about trees that bare fruit that comes out of the

ground, planted by God and watered by God and the blossoms come, and the blossoms fall off, and the fruit begins to form. Hogwash! This will kill you; this is where death came from.

**15** Now, letâ€™s find out all about it.

(4) And the serpent said unto the woman, You shall not surely die:

(5) For (the LORD) doth know that in the day you eat thereof, then your eyes shall be opened, and you shall be as gods, knowing good and evil.

Well, thatâ€™s the truth of the matter right there. If you eat it; your eyes will be open. No two ways about it. Then, youâ€™ll die for it. Yup, youâ€™ll die for it. Do you think homosexuals donâ€™t have their eyes open? Even if they close their eyes it wouldnâ€™t change the act. So, now theyâ€™ve got AIDS.

**16** Letâ€™s keep reading.

(6) And [when] the woman saw the tree was good for food, pleasant to the eyes, a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

(7) And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons.

Now, what part of the body does the apron cover? So, what kind of a tree did they get involved with that made them know they had sex organs which they should be ashamed of? Thereâ€™s nothing wrong with sex organs; nothing to be ashamed. So therefore, they did something with them they shouldnâ€™t have done. Phhhh, youâ€™! If you canâ€™t see that,â€™!

All youâ€™ve got to do is watch little kids. Theyâ€™re innocent. They donâ€™t have a clue. As the Bible said, â€œBe like little children.â€• [Mt 18:3] â€œAll things are pure to the pure in heart.â€• [Tit 1:15] â€œAnd everything God made was good.â€• [Gen 1:31] Suddenly something is not good? So, they did something that made them ashamed of the fact that their primary organs of reproduction were visible, and it wasnâ€™t nice. Animals donâ€™t have any trouble.

So, all right. You know jolly well, something was done that involved the reproductive organs. Call the tree what you want: now they know theyâ€™re naked. Didnâ€™t know it before, and they try to cover up.

**17** 8) And they heard the voice of the LORD [God] walking in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the LORD God amongst the trees of the garden.

(9) And the LORD God calledâ€™!

Now you notice, thereâ€™s not one word about â€œFatherâ€™. Not one word about â€œFatherâ€™ here. Just â€œLord Godâ€™, â€œLord Godâ€™, â€œLord Godâ€™, â€œLord Godâ€™. Iâ€™m not sure at this point that this isâ€™! Iâ€™m sure itâ€™s not Jehovah-Elohim. This would mean more â€œsovereignâ€™: sovereign God with the involvement of the thought of a magistrate or judge.

So, the Judge comes down, and Heâ€™s going to look into His people according to His Word, because His Word said, â€œDonâ€™t eat that tree.â€• Now the tree brings death; it never came

out of the ground. There was nothing in the Garden of Eden that they could physically eat by ingesting through their lips, anything to bring death. So, every pointing and every indication is in the realm of the sexual.

## **18** Genesis 3]

(9) And the (Sovereign) God called Adam, [and said,] Where art thou?

(10) And (Adam) said, I heard thy voice in the garden, â€¦I was afraid, because I was naked; and I hid myself.

Now he makes a pretty clean breast of it; youâ€™ve got to admit it. He doesnâ€™t just say, â€œI was afraid.â€• He tells why he is afraid. And he tells why he hid himself and why they made those aprons. So, whether you want to believe it or not; God must have given them explicit instructions concerning sexuality.

â€œOh, I donâ€™t think so.â€•

I know so. Because God canâ€™t hold me and you blame for anything unless thereâ€™s something said concerning it.

(11) He said, Who told (you, you were) naked? Have you eaten of the tree, whereof I commanded thee that thou shouldest not eat?

(12) The man said, The woman that you gave to me, gave me of the tree, and I did eat. (We partook of something which does not have to do with ingestion, but it has to do with sex.)

(13) And the LORD God said to the woman, What is (it) that you have done? And the woman said, The serpent beguiled me, â€¦(He seduced me; he got me to commit an immoral act.)

Because thatâ€™s what the actual Hebrew tells you. And the Jews understood serpent seed because they said, â€œWe be not born of fornication.â€• [Jn 8:41] If they werenâ€™t born of fornication, then they had to be born of God. And Jesus said, â€œYouâ€™re liars. You are of your father the devil.â€• [Jn 8:44] That goes right back to the truth of the matter: it was a sexual sin.

## **19** 14) And the LORD God said to the serpent, Because thou hast done this, â€¦

Now He didnâ€™t say, â€œDid you do this?â€• He knew Adam and Eve werenâ€™t lying. They werenâ€™t liars. She was plumb seduced, fooled and defiled. And then, she got Adam to join into the same act. Now theyâ€™d have come to it; weâ€™ve showed you this from â€œSpoken Word is Original Seedâ€•: how they would have come to an actual sex act: why children are born with perfectly legitimate, perfectly good and perfectly righteous. But the Tree of Life was there, and she could have gone to the Tree of Life and borne Christ. And thatâ€™s what she should have done.

And you know thatâ€™s true because the promise of God given to mankind is bound up in Jesus, and Jesus alone and not Adam. Adam only partakes of what Jesus came for, stood for, died for, rose for, procured, and by the power of God is coming to pass, and will continue to come to pass, until we find this glory that Paul spoke of in the Resurrection.

**20** 14) And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, [and] above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:

(15) And I will put enmity between thee and the woman, (Now you've got a real enemy in the true Bride of Christ, the church, and the phoney baloneys; they're enemies.) [and] between thy seed and her seed; (And a woman doesn't have seed; she's a seed herself, but she doesn't have seed.) (and) it shall bruise thy head, and thou shalt bruise his heel.

And everybody knows the fulfillment came in Jesus Christ and Judas.

(16) Unto the woman he said, I will greatly multiply thy sorrow and thy conception; (In other words she'll have children at times she should not be having children.) (because) thy desire shall be to thy husband, and he shall rule over thee.

He's going to set pretty well the rules, whether you want the rules or not. Great conception is not necessarily a wonderful thing, actually a part of the servitude that devolves upon Eve and the human race because of it.

**21** Now, notice in verse 20: [Genesis 3]

(20) And Adam called his wife's name Eve; because she was the mother of all living. (And you can't find one place where it says, "Adam is the father of all living.")

So, this woman has a child that is an absolute bastard because the only bastard is that child produced by two married couples who remain married and yet get together and produce an offspring. People trying to tell me, someplace Bro. Branham said the serpent didn't have a mate. I got news for you: find it, where he said it. Find where the Bible said it. Everybody had a mate but Adam. So, you're going to tell me the serpent didn't have a mate? I'm going to defy you because the serpent is still living today, and the closest we can get to it is the boa constrictor, and it has remnants of hips and copulates in the upper position the same as men do with women.

**22** So, here we see the picture of serpent seed. The field is God's field. Eve is God's field. She is Adam's field. But the beast was so close to a human being, he could mingle seed with her, which is his life with the life that was in the woman. And the life that was in the woman was merely! How would you put it, so you get the picture? The life was merely processes within the tissues and the cells. In other words, her body elements could actually mix with what lay in that seed of the serpent or that sperm therein, so that now you have a human beast creation. And the funny thing is science is now mulling over whether we should bring a human sperm and an animal egg and create some kind of subordinate race that are slaves: already got them, had them for thousands of years; so much for science, so-called.

**23** Now, this is the true historical account of one field or womb bearing two children of two different sources. And at that time the sperm and ovum of male and female beast could no longer bring forth according to their original pattern, but were given bodies by a displeased God, Who changed every bone in their bodies. So, I can see no hope for any serpent or beast seed in the Resurrection according to 1 Corinthians 15, but only the Lake of Fire because this body was not what pleased God. That's one reason you and I are going to have to have a resurrection and a re-creation by it, because every single one of us have got serpent flesh in us.

**24** Now, let's face it. Most of our lives are dominated by our flesh, whereby we have five controlling senses, which go into the error of reasoning. And if, then, we have within us that which is foreign to us, we now have a combination which could make a man like David: a mighty, marvelous man of God, after God's own heart, lust after his neighbor's wife, breaking that commandment, taking her because he's king and committing adultery, breaking another commandment, killing the husband and breaking another commandment. The Jews are so mixed up today about David; they're trying to make him a sleazeball and disassociate their selves from

him. Well, the minute they do; theyâ€™re gone because theyâ€™ve denounced the type of the prophet king.

**25** I do not expect from any Scripture that I know that the original or distorted beast will be in the Resurrection. Maybe, thereâ€™s something there Iâ€™m not aware of. Thus we have the true reason for Paul speaking as Paul spoke in Romans 9 and the way Jesus spoke in John 8, which we will not read because weâ€™re going to Romans 9. Now Paul has already spoken in Romans 8, beginning at verse 28.

(28) We know that all things work together for good to them that love God, to them who are the called according to his purpose. (Thatâ€™s a particular group.)

(29) For whom he did foreknow, (Oh, oh!) he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.

Firstborn. How? From amongst the dead. Remember, this day have I begotten thee, starting my generations. This day have I begotten thee from amongst the dead: bringing in the Bride.

(30) Moreover whom he did predestinate, them he also called: and whom he called, he justified: and whom he justified, he glorified.

(31) What shall we say to these things? If God be for us, who can be against us?

(32) He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?

(33) Who (dares) lay (a) charge (against me, Paul said.)

In plain English It says, â€œWho dares condemns me to death? God says Iâ€™m righteous.â€• How dare the Jews, bunch of profligate Wall Street heathen, and God knows whatâ€™s over there, because only a hundred and forty-four thousand are going to have the breath of life in them. How dare they bring a charge against David? How dare they?

Oh, no trouble at all. No trouble. Do you think after the destruction of Jerusalem they suddenly were non-serpent seed?

(34) Who is he that condemns (me to death?) Christ died, yea rather, is risen again, who is at the right hand of God, who maketh intercession for us.

Who is at the right hand of God? Jesus is. And Bro. Branham using the words of Paul, said, â€œHe makes intercessions at this very minute.â€•

**26** So, the Florida guys got him comatose. Yeah, yeah. Kids come home and daddy and mommy are comatose. Why, the poor kids would go crazy. And a daddy or mom is asleep, and the kids come home, and theyâ€™re so dead tired, they even shake mommy or daddy; they get panic stricken, if mommy and daddy doesnâ€™t wake up.

I know years ago we had our first baby, Carell. One day she decided to sleep. So, around ten oâ€™clock in the morning, we got to thinking, â€œHey, she got sleeping sickness? Whatâ€™s going on here?â€• Finally after awhile she woke up; no more sleeping sickness, but she had us scared. Well, weâ€™re just talking this language of the Bible, see. Do you want a comatose mediator/intercessor? Do you want a Jesus who has fallen asleep praying for you? I donâ€™t understand what people are talking about.

**27** Letâ€™s go now to the whole truth. He saidâ€™! Now skip the rest of this because he tells you, that you can have a very rough life, but donâ€™t worry, Godâ€™s going to see you through. [Romans 9]

- (1) I say the truth in Christ, I lie not, my conscience bearing me witness in the Holy Ghost,
- (2) That I have great heaviness and continual sorry in my heart.
- (3) For I could wish that myself were accursed from Christ for my brethren, my kinsmen according to the flesh: (Heâ€™s saying what Moses said. Spirit of God dwelling in him, but, of course, it could never come to pass.)
- (4) Who are Israelites; to whom pertaineth the adoption, (Oh, my, my!) and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; (All Israelâ€™s!)
- (5) Whose are the fathers, and of whom as concerning the flesh Christ came, who is over all, God blessed for ever. (He raised him above everything.)
- (6) (Now.) Not as though the word of God hath taken none effect. (Hey, did somebody wash out the Word of God? Hey? Has It suddenly lost Itâ€™s power? Can God no longer bring His Word to pass? Whatâ€™s going on here?) For they are not all Israel, which are of Israel:
- (7) Neither, because they are the seed of Abraham, (And Ishmael was.) are they (the) children: but, In Isaac shall thy seed be called.

Which was a promised son, under the miraculous condition of a man who could no longer inseminate, and if he could, she wasnâ€™t any good because she couldnâ€™t take it. He was a dry stick, and she was no better. Seminally speaking, as the theologian would say, â€œThey were dead, dead, dead.â€• How are they going to have a son? How are they going to have a son? Mini resurrection: a mini immortality before the Rapture.

So, God turns her back to such a raving young beauty, a twenty-four year old wolf, his eyes got so bugged out, she could have knocked him off with a stick, and he wanted this ninety year old woman. Holy mackerel! Yeah, you know, theyâ€™! I understand a twenty year old boy married a ninety year old woman; she goes dancing with him, but sheee, this is not Abraham and Sarah.

**28** Okay. [End of side one of the audio tape.]

- (8) That is, They which are the children of the flesh, these are not the children of God.

Ah, hah! Your conception shall be multiplied. Youâ€™re in trouble now because of this serpent deal youâ€™ve got into. Now theyâ€™re taking fertility pills, and theyâ€™re littering like pigs. You talk about gone crazy. My God, just get us out of here. Now, donâ€™t attempt suicide because you wonâ€™t need to. Youâ€™re going to get out of here the right way. [Romans 9]

- (8) â€!but the children of the promise are counted for the seed.

So therefore, thereâ€™s got to be a promise, and the promise was to Adam, and then through Christ they would take over the whole world and control everything, of course, by the Spirit of Almighty God.

- (9) [For] this is the word of promise, At this time will I come, and Sarahâ€™! (Sheâ€™s ninety years old.) (sheâ€™ll) have a son.

(10) And not only this; but when Rebecca also had conceived by one, even [by] our father Isaac;

(11) (For the children being not yet born, neither having done any good or evil, that the purpose of God according to election might stand, not of works, but of him that calleth;)

(12) It was said unto her, The elder shall serve the younger.

(13) As it is written, Jacob have I loved, (and) Esau have I hated.

**29** And Israel began bellyaching over there in four hundred years before Jesus came in the Book of Malachi and said, "Wherein hast thou loved us, O God? If you loved us and You were such a loving God, how come this and how come that?"

He said, "Just a minute, just a minute, Esau have I hated; I've loved you." And Bro. Branham, remember that sermon when he preached there just before he passed off the scene, "Things That Are To Be", how the mother and father make preparation for the baby and God made preparation for us. And here it is right here in the Scripture. God never made preparation for the devil and his seed. Not in the beginning. He later prepared hell for them: devil and his angels. Ah, ha; he said, "My love is proven by choosing, and the choosing was not a random choosing because the choosing was in Christ." And every seed of God in Christ came through Adam and Eve and not one of those is going to perish.

As in Adam all die even so in Christ in identical manner are all made alive, but every man in his own order. There will be a Bride, wise virgin, and there'll be those around her. I don't know that the apostles are part of the virgins. They could be a part in the sense that they are the company, but they could be greater by far than the prophets, the martyrs. Then outside are the foolish virgin bringing their glory into the city, every one of them. See?

**30** So, if God hates Esau, there's no way He could hate him if he was a child of God. There's no way. He'd have to redeem him. It said, "Esau found no place for repentance." [Heb 12:17] He got religious. He cried. He prayed. He did everything, but he couldn't get anything off the ground. Couldn't repent. What's the word "repent" mean? Change your mind. Same old mind he had. That's why Christians become renewed in their mind; they go by revelation. And we've got a vindicated revelation. My God, we should have our minds really renewed, and so we can only think in terms of this Message. I'm getting that way. That's why I come out fighting like a bulldozer at times. You wave the wrong flag, and there could be a lot of problems. Now, I'm not going to back down to anybody. I quote the prophet day and night. So, don't tell me I'm off the Word. I go right to the Word here just to show what the prophet said.

**31** When I wrote the Church Age book, one of these Jesus-Only guys, big-mouthed guy, knew it all! He got part of the Church Age book and he said, "That's wrong."

I said, "Who said so?"

"Well," he said, "I'm telling you it's wrong. William Branham doesn't preach it."

I said, "William Branham does preach it."

He went to William Branham and found out. He came back and apologized. But from then on you should have! Oh, God, the junk he got into from then on. Well, I have no time with those guys.

No time.

### 32 Romans 9]

(14) What shall we say then? Is there unrighteousness with God? God forbid.

(15) For he said to Moses, I will have mercy on whom I will have mercy, and I will compassion(ate) on whom I will compassion(ate). (Yeah.)

(16) So then it is not of him that willeth, nor of him that runneth, but of God that (shows) mercy.

(17) For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might shew my power in thee, and that my name might be declared throughout all the earth. (And It still is.)

(18) Therefore hath he mercy on whom he will have mercy, and whom he will he hardeneth.

Ask you a question: who do you think hardened Cain? How did God do it? Just threw him the Word. "Here's the Word, Cain."

Oh, man, did he bristle. Then he went to! Then here's Abel comes along, absolutely honored by God. Oh man, does Cain get mad now. So, Cain hardened again. How did he get hardened? By a true seed standing with the Word! You weren't listening were you? You weren't applying it, were you, to this church and people all around you? When are you going to smarten up?

33 Now, you say "I'm getting nasty. I'm getting mean whipping you."

Because are you listening? You stick around me; you'll get hard as the hubs of hell, if you don't see truth. You'll make me a liar because I quote Bro. Branham making an infallible prophet, the Word of God in his mouth, blaspheming the prophet and the Word and God Himself because I quoted him. Well, what about it?

Listen, be honest, get with it this morning. What about it? You sitting here playing church, or is this real? You think I don't know those guys out there, the preachers that, "Lee Vayle is preaching two gods." We got him right in the tape; he said, "There's two of them."

I never said "There was two gods." I said, "There's two persons." The same thing the prophet said. Believe in the female Holy Spirit, this and that! And I preach again and I harden every heart. You think I don't? If I don't there's something wrong with Lee Vayle. You better believe there's something wrong with me. "Living epistles, read and known of all men." [2 Cor 3:2,3] "Live, die, sink or swim." They don't like that. That's one thing they don't like. Shew.

34 Where are they going to turn? What's suddenly going to come? If God Himself came down! That's the picture of the glory attendant upon Elohim. [Bro. Vayle points to the picture of the Pillar of Fire.] What more do you want? Well, we better have two gods come down; let's have God come down in the Father and God the Holy Ghost. Well, let's invite a third one. And it doesn't seem like they've done too much for the people; you've got to get a few more.

Now, you say, "Bro. Vayle, you're getting real sarcastic."

Hold it! Solomon saw the temple filled with the glory of God, and the priests couldn't

minister, and he turned to false gods and worshipped. You didn't think I could put you on the spot; did you? Who are you going to call on? Oh, there's voices out there, and the devil's got a lot of power. You see why the antichrist is going to be received so happily? Because they're going to have to call on something. Well, so much for that.

**35** 19) Thou wilt say, Why doth he yet find fault? Who hath resisted his will?

(20) Nay but, O man, who are you (to) reply against God? Shall the thing formed say to him that formed it, Why hast thou made me thus?

(21) Hath not the potter power over the clay, of the same lump to make) a Pharaoh or to make a Moses; to make an Esau, to make a Jacob)?

(22) What if God, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction. (And the Greek says, "They fitted themselves.")

(23) That he might make known the riches of his glory on the vessels of mercy, which he had afore prepared.

And the preparing is of God, and the preparing is always of God. And that's why he sent a John the Baptist to get the prepared ready. And that's exactly why William Branham is here, like John the Baptist, to get ready a prepared people. In other words, the people were right there prepared by God for God to receive them, to give them resurrection, to give them immortality, and they couldn't take it without Him sending Elijah.

"Oh, I don't need Elijah; I got God. Hallelujah."

Liars!

"Oh, Lee Vayle, you guys that follow Bro. Branham, you just don't see the great God of love that we see."

Hogwash! There's right there, a picture, not of God, but the Shekinah Glory. Come, sit down and talk about it. Where's your faith? Is it built on "THUS SAITH THE LORD" vindicated? Or is it just some hogwash? You know there's no Protestants left; they're all Roman Catholics. That's a joke.

**36** Now on page 7, Bro. Branham speaks of the visible human leadership of the two seeds of races; one of which was Jesus and the other was Judas. Both of these men "repeat" men, actually were incarnated; one by Elohim, the other by Satan. And now, at the end time, when Elohim again shall be incarnated in Jesus at the Rapture, the devil will incarnate himself in a pope that comes out of America after the Bride is gone. I believe that's the pope that's going to do it, according to my reading of the Book of Revelation. I could miss that one, but it's going to be a pope anyway.

**37** Now, speaking of these end-time serpent seed, many of which are very religious, Bro. Branham points out that Judas was very religious, even joined with the great messiah prophet and had a ministry of gifts, yet he himself was not real. He wasn't called. He wasn't foreordained. He wasn't foreknown. [Psalm 65]

(4) Blessed is the man (that) thou chooseth and causeth to approach unto (thy throne.)

Doesn't say; blessed is the man who makes up his mind who gets to God. I know people don't like that. I'm sorry if they don't like it; I'm sorry for you. I never wrote the Book. It's been vindicated. I'm not talking about what Lee Vayle thinks. Doesn't matter what I think.

In spite of what would appear to make an even, like unto Jesus, which was his human figure, he was actually, an intelligent beast, born right in the tribe of Israel. His control was not the Word of God. Jesus' control was. His control was the same Word of Genesis 3. "Hath God said? Is this the truth? Will this really happen? Hey, can we count on it? What, it just might not be, so I better try something else. So, if I don't have a fistful of goodies in both hands, I've got the other ready to grab, if something comes back." Sitting on the fence.

**38** Now, watch carefully. A reasoning creature "man" the seed of God can both reason and believe. But always the seed of God, true Bride, will reject reason for revelation.

The reasoning today is: Oh, there's somebody always has risen up to be Elijah. Oh, yeah. The last big donut maker thought he was Elijah, was this guy Dowie, up there in Zion City, Illinois, and he had a great ministry. And the people one day came and said, "Dr. Dowie, we really believe you're Elijah of the hour that's to come."

And he said, "I was so angry I could have chased the men out. I did chase them out from my presence but later on I began to think, really, they were right."

He ended a drunkard. I knew a woman who knew him personally. Yeah. She was from Zion City. He staggered in and out of the pulpit. Yet the same man, when put on the spot in Chicago, and there was a great drought! They said, "Well, if your God is so wonderful, and you've got such power, why don't you pray for rain?"

He said, "Boys, I'll pray for rain, come on."

He went outside and lifted his hand toward heaven. The sky was utterly brazen; within no time the clouds were rolling in and the rains came. Oh, brother.

**39** A reasoning creature is man. The seed of God can both reason and believe, but always the seed of God, true Bride, will reject reason for revelation. The beast cannot do this. There is no place in him for the true Word. Perverted word: yes, any amount, any time, anywhere, under any conditions. No problem. He'll say, "Oh, it's the truth. Oh, it's the truth. Oh, I believe it cover to cover. Amen. Vindicated prophet, sure, yes, it is true. And I'll tell you what it means."

A million miles off. Let's get a consortium, a little bunch of people. Truth, no! He cannot receive a revelation, even when it's vindicated. Judas couldn't. And all living Judas' in the land today cannot even receive vindication when they see it. They still go off the road. They'll scream vindication, vindication, vindication, and turn right around and say exactly what Bro. Branham did not say, and they'll bring their Latter-Rain hogwash in and everything else. They'll put a new patch on an old garment. It won't work. All right.

**40** I promised the other day I was going to look into Scripture concerning the serpent seed, that you may get a picture and know exactly what we read this "other times", what the Bible says about these people, particularly at the end time, because Bro. Branham calls this parable of Jesus around 31 or 32 A.D., maybe even 33, I don't know! He said it referred to this hour in which we live, the real fruit of it.

So, letâ€™s hear about these serpent seed people. In 2 Timothy 3 and It says:

(1) (And) this know also, that in the last days perilous times shall come.

Now It tells you, as Bro. Branham brought out, itâ€™s the only place in Scripture that says, â€˜perilous timesâ€™. They were not perilous in age one, two, three, four, five, six. Theyâ€™re only perilous at the end of age seven.

(2) For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy.

Now this clue is: they shall be lovers of themselves. And what is the big word in the world today? â€˜Youâ€™ll never love anybody until first you learn to love yourself.â€™

**41** So, the big message is: charity begins at home. â€˜Love thyselfâ€™, of course, Plato said, â€˜Know thyself,â€™ or something like that. At least I think it was Plato. If it wasnâ€™t, who cares; somebody said it. Iâ€™d sooner that I put my trust in God knowing I let Him talk to me about myself through His Word.

Now these are lovers of themselves. Now, so therefore, theyâ€™re covetous. â€˜If you love yourselfâ€™, the Bible tells you, â€˜Men ought to love their wives as their own bodies,â€™ [Eph 5:28] Because men love their bodies: they pamper their bodies. Now they got lovely colognes out; you splash it on, splash it off. Men come around smelling like â€˜! Well, theyâ€™re cesspools, and they can smell like something that Elisabeth Taylor might like, even. Who knows?

It says, â€˜Covetous.â€™ They want it for themselves. Boasters. Oh yeah, if you love yourself, youâ€™ll boast. Theyâ€™re proud; thatâ€™s it. And blasphemers. If you love yourself, you canâ€™t love God very much. Disobedient to parents. Was there ever a time like this? Now the kids are entitled to be disobedient. The law wants them disobedient. Thatâ€™s the truth; Iâ€™m not lying to you.

**42** 2) â€˜unthankful, unholy.

(3) Without natural affection, (What about these rappers songs? Brutality. Read your articles today on rape. Theyâ€™re not content with raping. Theyâ€™ve got to kill the girl and torture her and everything else.) â€˜false accusers, incontinent, fierce, despisers of those that are good.

And you notice these guys when they get caught, they all get very religious. I hear Mr. Simpson has gotten born-again now, too. And if his wife had murdered him, maybe sheâ€™d have got born-again, too. Iâ€™m not trying to be mean, facetious, never rotten. The point is this; I just donâ€™t go for all this born-again stuff. Itâ€™s too much like Nicolaitism.

You remember the old Nicolaitism theory was: in order to be able to repent of sin, you had to indulge in it. So, to know what it was to be forgiven for and understanding killing, you killed somebody. Or you raped. Or you robbed, you pilfered, or did everything else. You ran to excess; it wasnâ€™t a matter of heathenism. No, that would be tame, alongside of that.

**43** 4) â€˜Traitors, â€˜!â€™ [Aldrich] Ames; fifty men died at least because of betrayal. Yeah. Jeopardize the nation like Mr. Nixon did. He had his little cohorts with him, and a nation of two hundred and fifty million people stood still while he lied, and didnâ€™t give two bits for us. Then he is supposed to be some great statesman at the end, getting us involved with China. Who needs China and their slave labor? Think Americaâ€™s rotten? Canada is just as bad: donâ€™t worry. Iâ€™m a Canadian by birth. Iâ€™m blushing with shame. No, not really. I got away from it.

**44** 4) Traitors, [heady, highminded], lovers of pleasure more than of God;

(5) Having a form of godliness, but denying the power thereof: from such turn away.

(6) [For] of this sort are they (that) creep into houses, and lead captive silly women laden with sins, led away with divers lusts,

(7) Ever learning, and never able to come to the knowledge of the truth.

(8) (Even) as Jannes and Jambres withstood Moses, so (they) resist the truth: men of corrupt minds, reprobate (There's nothing in them. They're animals.) reprobate concerning the faith.

(9) But they shall proceed no further: for their folly shall be (made) manifest unto all men, (What's going to happen? They're going to get killed at this particular time; they're going to die.)

(10) But thou hast fully known my doctrine, manner of life, purpose, faith, longsuffering, (love), patience,

(11) Persecutions, afflictions, which came unto me at Antioch, (and so on and so on.)

(13) But (he said,) evil men and seducers shall wax worse and worse, deceiving, and being deceived.

(14) (Now, watch!) But continue thou in the things which thou hast learned and has been assured of, knowing of whom you've learned.

Paul says, I'm a vindicated prophet. I've proved it by THUS SAITH THE LORD. I am giving you God's Word, Word by Word. Stand with It.

So these people are here right today. And I'm going to tell you: stand with William Branham, the only vindicated person there is. And don't listen to your stupid father, because he could be stupid. I'm not saying he is, but he could be. Then pretty soon you'll get talking about all these black holes out there and everything nobody knows anything about. How do you know there's black holes out there? Phhhh!

**45** Hebrews 6, here's the Judas gang. Here's the Pentecostals, especially the anointed ones of the end time. Listen to what happens at the time of the great hour of perfection. With perfection could not come. But now, look what It says, at the end time:

(4) For it is impossible (

Perfection couldn't come but when it does come; you're going to lay aside the Logos of Christ, you already know the foundation. You know the reality; the life and death of Jesus Christ. These things are there. But there's certain things you do not know. There's a time of conclusion when perfection comes; when it's face-to-face. And there it was face-to-face. Now, remember; when he was face-to-face with God; we were face-to-face with God because we said back in Israel; Moses go to God, come back from God, and that's God to us. But William Branham said, "You're looking at me; aren't you?" Oh, that will shake your timbers.

"Oh, Lee Vayle, he believes in two gods, and he is an idolater." "Oh, he is deity."

Well, bully for Lee Vayle. I figure I'm right on time with God's timetable and everything I believe. I got to believe it; live, die, sink or swim. I'm not changing anything I'm teaching; forget it.

**46** God didn't permit them to go on to perfection.

(4) For it is impossible for those who were once (for all) enlightened, to taste the heavenly gift, to become partakers of the Holy Ghost.

(5) [And have] tasted the good word of God, and the powers of the world to come,

(6) (Having fallen) away,

They can never repent. That's the end time. You say, "Bro. Vayle, how do you know it's the end time?"

Because It says, "They're briars to be burned." And only at the end time, according to Matthew 13, do the briars get burned.

**47** So, here at the end time you're going to have all these Pentecostals, all the charismatic Catholics and the Anglicans and the whole bunch of them who talk in tongues and lay hands upon the sick and see all these gifts and everything else, the church completely out of order when they're doing it. Now, there's nothing wrong with everything Paul spoke of. They've got a psalm; they've got a tongue; they've got this, they got that. But they had it out of order. And they had nothing but chaos. You got it? They'll stand and say, "Bless God, He's the same yesterday, today and forever." And they don't go back to Genesis 18. They don't go back where the prophet of God took them; a vindicated man. And so, they cannot believe.

**48** Now see, you and I got to blank our minds out. "We always went to Mark 16; why He's the same yesterday, today and forever. He heals the sick; He does this; He does that; and hallelujah, hallelujah, hallelujah."

But "hallelujah," you're wrong. That could be a secondary or tertiary or fourth or God knows, tent meeting. I'm not going to say what it is. But the vindicated prophet said, The same yesterday and today and forever was Abraham outside the tent with Elohim. And the Bride literally backslidden, given up, said, "Ha, ha, ha, ha. Me have a baby? By Abraham?" In other words, discerning according to Heb 4:12 "the last sign to the church. It doesn't do with Jesus and his earthly ministry; it does with Elohim, whose Name also is Jesus because Jesus said, "I came in my Father's Name." And "Jesus" means "Joshua" or "Jehovah Savior". So, here it is at the very end time.

**49** What about 2 Peter? What does Peter got to tell us about the end time? Same thing the others said. And that's chapter 2.

(1) (As) there were false prophets among the people, even there'll be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction.

Now at this end time here, since Bro. Branham went off the scene, the other guys have gone off, too. Where are the Osbornes? Where are the big shots that were out there years ago? They're gone. Where's the great ministries? Well, you've got Benny Hinn who blows on people, and they fall over: devils operating.

You say, "Do you believe the devil heals?"

No! The devil is not healing; God is healing and the people are coming to God believing it's God. And old Benny had nine gods for awhile there, but they cut him down to three again. I guess they found out nine was no better than three. I got news for you. My one God is better than three. That's all there is anyway. I'm not Solomon to figure out if I'm going to worship something else down the road; forget it. Forget it. Nah, hell's too close and heaven too close.

You know, hell has moved up from beneath? And heaven is moving down? And we're caught in between? I don't want the rug pulled on me. By the grace of God the corner I turned with William Branham was upward; from the horizontal to the vertical.

**50** Yeah, there's going to be a lot of false teachers, It says here, and boy, are they false, running around the world. They can't even believe what the prophet said. [2 Peter 2]

(1) "and deny the Lord that bought them.

They deny the Lord. They deny that God came down here. Ask these guys down in Tennessee, "Who came down?" They said, "The Lamb came down."

The Lamb came down? Where is he? I want to see some nail prints. I'm not being facetious. I'm just telling you the truth. Because that's what happens to Israel; shows them His hands.

(2) And many shall follow their pernicious way; (Bloodless. They got pernicious anemia.) by reason of whom the way of truth shall be evil spoken of.

(3) And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not.

(4) (And) if God spared not the angels (and) cast them down (and so on.)

**51** Now It said, I want to read this to you. Here It says:

(12) But these, (people at the end time) as natural brute beasts, made to be taken and destroyed!

There's another picture of Pharaoh. Why didn't Moses come back and say, "Oh, God, save Pharaoh. Everybody going to be happy; a lovely kingdom on earth." Moses came down for one reason: to get rid of Pharaoh and get rid of him good. I was amazed at women, especially women. They're the suckers, praying for Stalin. You talk about wasted prayers. The same women accosted me, and I said, "How come you women went to the mission field?"

"Well, the men didn't go."

I said, "Find me Scripture that gave you permission." My Bible said, "Pray that the Lord of the harvest send out the harvesters." [Mt 9:38] Why did you not pray that God send the men that He's supposed to send?"

The woman looked at me; she didn't have one word to say. You women listen: your hearts are nice; we love you for your tender spirit but you're a mark, an easy mark. Don't get suckered by the devil.

**52** When it comes to being women, you be like Abigail of the wife of Nabal; David sent emissaries

and said to Nabal, "Look, we took care of you and your men. Nobody took one sheep. We didn't take one sheep. We'd like a little help. Give us a few sheep, feed and a few things because you prospered because of us."

And he said, "I never hired you. Nuts to you. I won't give you nothing."

And David got mad; he was going to kill the whole bunch and take the farm over. Abigail comes out, and she said, "His name is fool, and he is a fool. Deal with me." [1 Samuel 25] I like women that know where they stand. If you're married to a fool; stick with him because you're stuck with him, but don't be a fool like he is, and vice versa. It's too late in the day.

Remember; judgment comes one at a time, although it does fall on the earth at one time, the people go through the judgment one at a time.

**53** 14) (They're) cursed children. [Having] eyes full of adultery, cannot cease from sin; unstable (in) soul;

See, they got unstable beguiled souls. They got souls but they're not legitimate souls. They're not the gene of God. They're the gene of a serpent. They're gene of a beast. Soul equates to life. Whose life have you got?

(15) Which have gone astray, (from) the right way, following the way of Balaam the son of Bosor, who loved (money).

(16) [But] was rebuked for his iniquity: the dumb ass speaking with (a) man's voice forbad the prophet's (madness). (And the guy kept right on.)

(17) [These are] wells without water, clouds carried (by) a tempest;

(18) (All they got is) great swelling words (vain), they live in error.

And all they do is corrupt you just like they corrupt themselves. For a while they may lead you astray and "Oh, I got a nice sweet life now. I'm doing good; I'm doing fine. And It says, "But you go back to your vomit."

**54** The Book of Jude; we'll get to reading Bro. Branham a little later on; not this morning. The Book of Jude said:

(8) Likewise these (are) filthy dreamers (who) defile the flesh, despise dominions, speak evil of dignities. (Verse 10)

(10) But [these] speak evil of those things which they know not: but (which) they know naturally, as brute beasts.

See, they cannot get a revelation. They can't do it. The Word of God escapes them. I don't care if they got a theological degree, they're a doctor, PhD, LLD, Doctor of Divine Letters. I don't care what they are, there is no way they can understand this Bible, unless God Almighty reveals It by His Own Spirit, God Himself doing it.

(10) "as brute beasts, in those things they corrupt themselves.

(11) Woe unto them! they have gone in the way of Cain, (They're liars and murderers.)

â€greedy (with) the error of Balaamâ€ (And they run around prophesying and speaking in tongues, like Korah, Dathan, Abiram and defy the prophetic Word of God thatâ€™s been proven.)

(12) (Theyâ€™re) spots in your feasts of (love), [when] they feast with you, feeding themselves without fear: clouds without water, carried about of winds; trees whose fruit withereth, without fruit, twice [dead], plucked up by the roots.

Iâ€™m going to tell you what: this is all to those people out there, but to the Bride It says, there is a prophet with a five-fold ministry, and at the end of the time, thereâ€™ll be no more Bride or any true child of God, swung this way or swung that way, by any wind of doctrine, but theyâ€™ll grow right up into the Headship, which Headship is here now, and weâ€™re just waiting for the people to come out of the ground, the Bride to be changed, the Trumpet to take us up, and the Spirit, which is God Himself, incarnating Himself into Jesus at the great Wedding Supper. And from that time on, itâ€™s all in the hands of God.

**55** Then, what about Romans 1? The homosexuals; and theyâ€™re ordaining homosexual men and women as priests and ministers. I knew thirty years ago, roughly, there was a bunch of homosexual preachers, Pentecostal, down there around Hamilton. I never knew them personally, but I was told, there was. This kid told me he knew about them. Maybe he lied to me. I kind of doubt it, because knowing what I know now, I wouldnâ€™t trust anybody anything. I donâ€™t want to believe a lie about anybody, but Iâ€™m going to tell you: usually the lies are more correct than anything else that weâ€™re told.

**56** What about the Rev 13:11-18? It tells you they are going to worship the beast. Why? Because theyâ€™re beasts themselves.

What about 2 Thessalonians 2? They turn down the Word of God, so therefore, they believe the lie. And what is the lie? The same as the Garden of Eden: â€œYou shall not surely die.â€• â€œMillions now living will never die.â€• Everybody says it, thatâ€™s out there in the so-called Christian denomination. How come theyâ€™re saying it? Thatâ€™s a lie. Millions now living are going to die; billions are going to die. Anywhere from five hundred to five thousand can make the Rapture standing here. Who knows? Iâ€™m talking of the living. I donâ€™t know. See, this is what Bro. Branham was talking about: the seed of discrepancy.

**57** In other words, there came on the earth in short order that which was sub-human, having mixed the animal with the human, and thereby, there is a discrepancy which is: there is a difference. And finally when they totally interbred, you couldnâ€™t tell Jesus from Judas. And yet Jesus came from a created sperm and egg. And you couldnâ€™t tell Judas from Peter by the way they acted, with gifts and everything else. Until one day the showdown came, and Judas couldnâ€™t believe vindication. He couldnâ€™t believe it. He couldnâ€™t do it. Israel couldnâ€™t believe their prophet, and now the Gentiles canâ€™t believe theirs: William Branham.

Well, itâ€™s time to go. Lunch is out there somewhere, getting ready. So, letâ€™s rise and be dismissed.

**58** Merciful, Heavenly Father, we thank You for the time we have here and we didâ€went into Scripture, reading a lot of Scripture which is very, very wonderful and yet, not reading as much as we could have read, but knowing, Lord, that absolutely, in this one lump upon earth here, we know that You have done exactly according to Your Word, as has been vindicated by the prophet, and by Your grace, Lord, we believe that we are a part of the genuine seed of Yourself Lord, that, and we know Lord, that within the flesh weâ€™re not up to much.

But we do know, Lord, You made a promise that Youâ€™re going to take that Life which is of

Yours, Your Own Life, incarcerated, as it were, in this pest house, and then, raise it to a place of glorification. And then, weâ€™re going to be happy and satisfied in the beautiful Millennium, wherein we are there working and toiling and doing the things weâ€™re supposed to be doing, and temple worship, and all these things are so wonderful, that there wonâ€™t be a betrayal there. There wonâ€™t be a beautiful kingdom, like Solomon had only to go into idolatry, fornication, just messed up like crazy.

But, Lord, itâ€™s going to be start over as it were, from the interruption, and then, weâ€™ll be progressing on to further sanctification and the wonderment of It, Lord. And thatâ€™s what we really hunger for, Lord, in our hearts. We all are just so far short of that great sanctification that is by the Spirit of God through the living Word, where weâ€™re really one in Spirit and in Life and in action, or as Paul said, â€œIf you live in the Spirit, see that you walk in the Spirit.â€•

Father, we recognize our shortness, Lord, but this morning weâ€™re not going to look at that. Weâ€™re not going to be as those who turn on your Word and what You said, but weâ€™re going to stand with Your Word, and no matter what happens, Father, no matter what obtains, that doesnâ€™t do anything to the reality of the vindication on which we claim to stand at this moment. Now, Lord, help us to really stand on what has been vindicated. And may it be our true knowledge, our true revelation, our true source of the conduit of the Holy Spirit, and we therefore, sanctified and truly set apart, grow right up to the Head, which soon is going to incarnate Himself, and weâ€™re all there in the flesh, the way it is supposed to be.

And so, we commend ourselves to You this morning. We ask You to bless each one, keep each one, Lord, traveling mercies, all those things involved in there and again, Father, as the prophet said, â€œTo take this Message for our healing.â€• Weâ€™ve done it, certainly, for our souls. We believe, Lord, tremendous soul healing and a tremendous mind healing, if we only receive it, going right into our bodies in a healing which is for this hour, Lord. We know You havenâ€™t taken one thing from us. Youâ€™ve only magnified it.

So now, unto the King eternal, immortal, invisible, the only-wise God, be all power, honor and glory through Jesus Christ our Savior, Amen.

â€œTake the Name of Jesus with You.â€™
