

Showdown: Word In The Virgin

1 Now we're at number 15 in "Shalom," and in this message as well as in his other messages, Bro. Branham, as a true prophet of God, uses the word 'Light', 'God', 'Spirit', 'the Word', interchangeably, making them synonymous, yet different in overtone, according to the presentation of a particular truth. Also, you notice that Bro. Branham uses words the same as the old Jewish prophets did. They're synonymous. They're interchangeable. But actually, each time there's a special overtone, a special qualification, due to the truth that is to be or is being presented. Now surely God is Spirit; God is Life, but He is also Light. The use of these descriptive words helps us to receive a revelation of God Himself, as to what He is and does.

2 Now that's the purpose, of course, of words. They are to define, to make that which is objective more subjective, so that you understand more about (We're talking of God now.) the personality of God, God as a Person, and His character, qualities, characteristics. So therefore, the use of these descriptive words, then, help us to receive a revelation of God, Himself. As I said, those words are 'Spirit', 'Light', 'Life', and so on. Also remember, He's Savior.

For example, let us start at the beginning. "In the beginning, God." Well, the question comes up: what kind of a God? He is Spirit. That's exactly what God is. Then, what is spirit? Well, spirit is life. Thus, God is living Spirit. That's exactly what God is. Now, what are His dimensions? Well, how do we describe Him? He is eternally the same and is omnipotent and omniscient.

So therefore, God is an eternal God, never changes, the major qualifications of God being omnipotence and omniscience. These two attributes are limited only by God's Own character, as to what He will devise with His great ability, and what He will do with what He's invented, according to His Own knowledge. In His omnipotence He is a Creator. He can speak into existence whatever He so desires in accordance as to what characteristics lie within Him. And He can do with that creation according to His thinking, which is also directed according to His Own God-life, which even He cannot change.

3 Now that's something right there that people, I think, may have a little hard job with, because they think maybe by prayer and fasting they can twist God's arm. Well now, they don't understand the Word. Like Bro. Branham said, "You don't pray to God to ask God to change. You pray to God to ask God to change you." Now remember, there is such a thing as people getting answers to prayer and becoming spiritually dead. You know, they can get all kinds of blessing, they can be anointed, and God will send leanness to their souls. And finally, like in this age, they're doubly dead. There never was a generation like this generation. They're twice dead even before they drop dead in their decaying flesh.

4 Now, so therefore, God can only do according to what His God-likeness is. You see? Thus, He is both Rhema and Logos within Himself. So therefore, God as you might say, blueprint and manifestation, that He is, because there comes omniscience and omnipotence. Omniscience knows; omnipotence does. What does omnipotence do? What omniscience knows. What is omniscience? God is omniscient. So, God is both Rhema and Logos, and anybody that tries to tell you differently is wrong.

5 Now I got a phone call just the other night from Australia. And this brother said he was so grateful, because I delivered to them the fact that the Hebrew prophets understood God as both Rhema and Logos, and Bro. Branham did the very same thing. They're synonymous. And then, he mentioned this certain man that I'm well aware of, and you're well aware of, who goes around

confusing people. He's trying to tell something that Bro. Branham didn't tell. The man is not vindicated! Oh, he's been vindicated as a liar. Yes, I'm going to say it publicly, and I care less if people don't like it. The man 'corrected' Bro. Branham. How can you correct a prophet? Bro. Branham said the only thing that cannot be corrected is a prophet! Then trying to correct a prophet... He ought to stop such nonsense.

6 Thus, He is both Rhema and Logos---within Himself! And you'd never know Rhema, unless He projected being Logos. And, because He can and does make Himself known according to His Own desires, which are directed as to what He Himself is, He not only gives light, but He Himself is Light. And to know God is light, and to know more and more about Him is increasing light. As the Bible tells us, at the end time there will be increased light for the believer, but not for the sinner. He spoke light in the beginning, as to manifestation. That is, He spoke it. It was already Rhema, or He couldn't have spoken. It was already a part of God in God's likeness, or it wouldn't have been produced. Thus, Word and Light are synonymous. Definitely they are synonymous. Rhema as Word becomes Logos as Light. This is carried to the extent that as children of God, we are Rhema Logos, because we're with Him in the beginning---and also Rhema-Light-Logos. Or Rhema-Logos-Light.

7 He said, "You're the light of the world."

Like Father, like son, in plain English. He is the Light, and we are His little begotten lights. If you're begotten of God, and He's Light, then you're light. Right? It's just as simple as dogs having dogs and cats having kittens and pigs having piglets and human beings having babies---human babies; because there aren't separate words for begetting. "As in Adam all died, even so in Christ all are made alive." You've got to go back to your concepts. Light has come. Bro. Branham tells us that. See, that's the point he was making. Light has come in this hour. God is here and has revealed Himself and vindicated that it is He Himself, and the Light is God. This Light, God and His revelation, presses the darkness. The light ones gather as in Goshen, while all around the darkened ones are literally paralyzed in Egypt, according to Ex 10:21-23.

8 Now, let's take a look at It.

(21) And the Lord said unto Moses, Stretch out thine hand toward (the) heaven, that there may be darkness over the land of Egypt, even darkness which may be felt.

(22) And Moses stretched forth his hand toward heaven; and there was a thick darkness in all the land of Egypt three days:

(23) (And) they saw not one another, neither rose any from his place for three days: but all the children of Israel had light in their dwellings.

Now I want to ask you a question. Was it the geography that made the difference, or was it the people? It was the people. So, where Israel was, there was light. You are a light set upon a hill. You're the light of the world. See? So, we see, God comes bringing His Own revelation of Himself, and we know it is of God by vindication, as it is set forth in the Word to be thus, and it is thus. What is the difference when God said, "Let there be light," and there was light. "Let such and such a thing happen," and it's in this Word. God sends a prophet on the scene to bring to your attention His immediate act in order to gain your attention from the act. Like Bro. Branham said, "God was thousands of years in bringing a Messiah that He prophesied would have to come in Genesis, the very first few years of Eden;" thousands of years to get Him here.

So, what God is doing, He brings our attention to the place with something immediate, thereby letting us know that something, which has been previously said, even thousands of years before, and distilled in God before the foundation of the world, is about to transpire. That is God doing it; that is light. All right. We understand that.

9 So, God comes bringing His Own revelation of Himself. And we know it is of God by vindication. We see it set forth in the Word. This separates the children of light from the children of darkness! See? Now, unless you are confirmed in the understanding of what we call Calvinism---which is really true sovereignty of God---and understand beginnings as Bro. Branham taught, you will rebel against

this; because it is your sweet loving nature that makes men to want to make God a liar, the very God that he says he loves. Now you know that I'm not saying that to you, because you do not do that here. But there could be others out there I'm thinking of that might even get these tapes, and it will sort of prick their conscience, which I hope it does.

10 Now this separates the children of light from the children of darkness as we see in John 8, which is that fantastic chapter to show you the serpent seed, if anything ever did. And it does.

And we'll read Jn 8:29, beginning:

(29) And he that sent me is with me: the Father hath not left me alone; for I (always) do those things that please him.

(30) (And) as he spake these words, many believed on him.

(31) Then said Jesus to those Jews which believed on him, If (you) continue in my word, then are (you) my disciples (or you will learn of me) indeed.

Now they had to continue in the Word to keep on learning. That's what happened when the Lutherans came out. They didn't keep on with the Word when Methodists came on the scene. And the Methodists didn't keep on when the Pentecostals came on the scene. And the Pentecostals rose up against Bro. Branham. So, the light within them has turned to darkness. That's why they are the chaff! And I can't change the Bible, and I don't want to change the Bible! I'm not interested in changing it. I want it to change me. And he says:

(32) And you shall know the truth, and the truth shall make you free.

(33) (And) they answered him, We be Abraham's seed, and (we never) were in bondage to any man: how sayest thou, You shall be made free? (We're already free. That's what they thought.)

(34) Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin. (Now sin is unbelief.)

(35) And the servant abideth not in the house for ever: but the Son abideth (for) ever. (Now remember He said, "This is the work of God that you believe on Him that God has sent.")

(36) If the Son therefore shall make you free, you shall be free indeed.

11 Now, let's look at this picture. "If the Son makes you free, you are free indeed." Now see, there isn't anybody but God Who is Savior. God alone is Savior. So, what is He telling you here? He is telling you that God, in the hour of Sonship, God as Son, is setting people free, because God was in Christ. That's the rule. God always has to be in something to do something. Like Bro. Branham threw the rock up in the air to cause something to happen. And he said the suction actually brought the tornadic force that ripped the stones out of that sheer wall of rock, out near Wilcox there, in Arizona, and the same thing, then, started an earthquake. Now I hear, Terry Sproule told us the delicate balance of a rock falling can start a tornado. Now I hear, Dave [Barradas] tells me, that he read an article, where the flapping of a butterfly's wings in the Philippines can start something in the Caribbean---like a hurricane. The delicate balance.

That makes you wonder: what delicate balance is there in God, and if we could get to it. What lies ahead of us to be in the delicate balance that we're entering into now? That's why there'll be a new universe, literally, created, melted down and brought over again. Just thinking sitting here, before I got to the pulpit, just literally thinking about God creating, and I thought God created those squirrels. Didn't He? He did that. That was fantastic.

And then, I thought, well, I sat there behind Bro. Branham, and I saw that microphone cord wrapped around him; and I didn't see it disintegrate, but I saw it come back together, lying there. And I thought, there's a perfect picture. Look what lies ahead of us: God creating, and God transforming the elements that are here now, literally taking and doing something to them, and bringing them back. Why we've seen manifestation here, brother/sister, that makes us to know God, if anybody ever knows God. See?

12 Now, let's keep reading.

(37) I know (you're) Abraham's seed; but (you) seek to kill me, because my word hath no place in you.

Now that's something that's true. Bro. Branham categorically said the serpent had a place for a soul, but he didn't have a soul. These people did not have a place for God's Word though they mouthed daily, religiously, the Ten Commandments and all the law and the prophets; because the whole Bible, thirty-nine books of the Old Testament, were already there. Psalms and all of them. And some, maybe, could quote them verbatim, chapter after chapter.

(38) I speak that which I have seen with my Father: and (you) do that which (you) have seen with your father.

(39) They answered and said, Abraham is our father. Jesus saith unto them, If (you) were Abraham's children, (you) would do the works of Abraham.

13 What were the works of Abraham? Recognizing God on the plains of Mamre and knowing the great Judge was there---learning---Will He destroy the righteous with the wicked? That's always the question when God comes on the scene. "What is He going to do?" Well, the Blood stands good for us, brother/sister, like God gave Bro. Branham that vision, the earth surrounded by a circle of Blood. And He told William Branham, "I want you to know this one thing: except for that circle of Blood, you sit there condemning that woman that's backslidden and a mess. But I'll tell you." He said, "Without that circle of Blood, you'd be destroyed too." We thank God for the Blood. See?

(40) Now (you) seek to kill me, a man (which) told you the truth, which I have heard of God: this did not Abraham.

(41) (You) do the deeds of your father.

Now, what is it? He's referring right here, the same person who wrote this, John as a scribe, is referring to Cain. It's the same thing. He was of that wicked one.

(41) (You) do the deeds of your father. Then they said to him, We be not born of fornication; we have one Father, even God.

14 Show me Cain in the chronology---the genealogy! You can't do it! They could trace themselves to Abraham, every one of these; and, as soon as they traced themselves to Abraham, they had a home run to God. Figure it out. Go to your genealogy. "Oh," He said, "Yes, I know." He said, "That's true. You can trace your genealogy. But," He said, "you're still serpent seed." See, it was the serpent seed; they knew it. Then, these Pentecostals try to tell you that Eve didn't cohabit with the serpent. They still got some idea, some great big four-footed hoofed elephant, clomp, clomp, clomp. When did you ever see a big four-footed idiot beast or old dumb beast have a conversation with anybody? Some women are crazy all right, but Eve wasn't that crazy. Lord, have pity.

(41) (See, we have one father, we're) not born of fornication; (See, they knew the truth of serpent seed.)

(42) Jesus said, If God were your Father, (you) would love me: for I proceeded forth and came from God; neither came I of myself, but he sent me.

(43) Why do (you) not understand my speech? even because (you) cannot hear my word.

There was no place for them; they couldn't hear it! If you haven't got a place for the Word of God, you'll never understand it! There's no way you can understand it. It's all double-talk. It's all mystical, mythical, that's where the Gnostics came in. They couldn't get a revelation, so they made their own up! And gnosticism obtains right today, and it's a mess.

15 Now:

(44) (You're) of your father the devil, the lusts of your father (you'll) do. He was a murderer from the beginning, abode not in the truth, because (there's) no truth in him. When he speaketh a lie, he speak(s) of his own: for he is a liar, and the father of it.

(45) And because I tell you the truth, (you) believe me not.

(46) Which of you convinceth me of sin? If I say the truth, why do (you) not believe me?

(47) He that is of God heareth God's words: (you) therefore hear them not, because (you're) not of God.

Show me that this Scripture has ever been changed by God. This is showdown! This is showdown. It always has been and always will be. And, if this is the hour of showdown, this has to obtain. If it is

not the hour of showdown, there is a showdown coming, and it will obtain. But we believe it's already come.

This is identical, as you well know, to 2 Th 2:8-14---just before antichrist takes over. The love of the truth is only in a little certain group of people, who are sanctified by the Word. The rest of them do not have it.

16 As we read last Sunday, and we'll read again, we see that God Himself reveals Himself and reveals about Himself. And He is as Light itself; and, because He is Light itself, He uses a child of Light, who is also a light, pointing to The Light. He's using a prophet like John the Baptist. See? And all the little lights come to that great Light via the short-lived light, as it was with Moses and John and Paul and now Bro. Branham. The great Light sends a lesser light, like before the sun rises in its glory; the morning star comes forth in the darkest hour, just before the sun starts to rise. And all the little stars, little lights, gather to the great Light via the bright and burning light, like as John the Baptist and Moses and Paul and now William Branham. Bro. Branham's own words, as directed by God, describes those Light Word conditions, the church, the true Word Bride.

17 I'm going to read from "Spoken Word Is Original Seed." All right.

[119] Now, here is what I'm trying to say to you: The law of reproduction brings forth of its kind (Gen 1:11), and because Bro. Branham never read it, I don't know that anybody else bothered to read it.

[Genesis] 1:11 says:

(11) And God said, Let the earth bring forth grass, (and) the herb yielding (seeds -- spora), and the tree yielding fruit after his kind, whose (spora) is in itself, upon the earth: and (so it was).

[119] All right. What I'm trying to say to you is this: The law of reproduction...

In other words the continuation of a species brings forth after whatever kind that specie is. There are two kinds of progenitors according to the Bible. There are two progenitors: one is God and one is the devil. Let's go first of all to Matthew 13, and we will see exactly what God said, and let us believe what God said. Let us not try to get a parable out of a parable, when the parable has already been explained. It's no longer a parable then! It's the revelation of truth or reality.

18 Now what I just said there, you can see what kind of idiots we have been for doing this. All right. Mt 13:36, He explains the parable. The sower went forth to sow. And as he sowed, somebody crept up behind him and sowed a bunch of tares. When it came time for the season to manifest itself, which means the ground was producing now what was poured into it; then, all of a sudden you've got two things there: you've got wheat and tares.

They said, "Well, should we pull up all the tares?"

"No!" He said, "You'll uproot some of the wheat. Just leave them be. At the time of the harvest, we'll gather the wheat into the granary, and we'll bind the tares into bundles, and we'll burn them."

Whose fan is in His hand, thoroughly purges forth, gather wheat in the garner, and burn up the chaff, the tares, with fire unquenchable. That's Bible truth.

[Matthew 13]

(36) Declare unto us the parable of the tares of the field.

(37) He answered and said (to) them, He that soweth the good seed is the Son of man;

(38) The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked;

(39) The enemy that sowed them is the devil; the harvest is the end of the world; the reapers are the angels (or the messengers).

(40) As therefore the tares are gathered and burned in the fire; so shall it be (at) the end of this world.

(41) The Son of man shall send forth his (messengers, his) angels, and they shall gather out of his kingdom all things that offend, and them (that) do iniquity;

(42) And shall cast them (in) a furnace of fire: (there'll) be wailing and gnashing of teeth.

(43) Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

In other words there'll be no way concerning this coming Kingdom, that there'll be any wicked ones there for any further pollution of the world, or what's in the world, or of mankind. They'll be gone. That's going to take care of that. So, that's why you don't have to worry about an eye for an eye or a tooth for a tooth anymore. Just leave it in God's hands.

19 With that we're going to go to 1 John 3, which you know we dearly love, the same as we love John 8 and these other chapters. But these are especially pertinent to us, because we see the truth, which so many people don't want. 1 Jn 3:7:

(7) Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous.

Now It tells you that. It tells you that flat. Okay. Let's jump down to verse 12.

(12) Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother's righteous.

You say, "Why do you jump down there?" Because that's what he's talking about! He's going back to the beginning. You can't compare Adam and the serpent---or the beast. There's no way. One's a beast; one's a man. So, the only two you can compare is Cain and Abel. And they have separate fathers but one mother. Just like mother earth. She's got about five distinct colors: red, brown, yellow, black, white; all on one earth. You don't get black people out of Africa as black earth; and red people out of America, the red Indians; or the brown ones. No. See, there's got to be a progenitor. All right.

20 [1 John 3]

(7) Little children, let no man deceive you: he that doeth righteousness (like Abel) is righteous,

(8) He that committeth sin (like Cain) is of the devil; for the devil sin(s) from the beginning.

What's the first thing we know about the devil? Never mind what he did up in heaven, forget it. Nothing to do with you. What did he do in Eden? The Bible said he was in Eden. He distorted the Word. And took the woman away from vindication to reasonings. Now, if you're going to let your mind go from vindication to reasoning, you're finished! That's the battle of Armageddon going on right there.

(8) For this purpose the Son of God was manifested, that he might destroy the works of the devil. Not destroy the people per se, although that stands, and it must stand. But He's going to bring to nothing what Satan did. Let me see if I can find it for you. Oh my. I'm going to pull a blank on this; it's in the Book of Hebrews--- Heb 2:14.

(14) Forasmuch as the children are partakers of flesh and blood, he likewise (also) took (a) part of the same; that through death he might (bring to nothing) him that had the power of death, that is, the devil;

21 See? All right, let's keep reading now.

(9) Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God.

(10) In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother.

Now he's giving you a clue there! And the clue is this: the Word takes precedence over every single emotion and over every single outcome, because God had to have a Word that said "Let there be light," before there was light. So, the precedence is the Word. And that precedence will set your tenor as to how you love somebody or not. And you can't hide. Let me tell you right now, you can't hide. We're way down the road, brother/sister, where we don't get fooled anymore. There's no way to get fooled. There's no way at all.

(11) This is the message (you've) heard from the beginning, (that) we should love one another.

That's a message of love. See? That you should love! What is he talking about? He's talking about people who absolutely have to manifest something. You can't help it. The minute you leave the womb you manifest by crying. You want to nurse. Next thing you fill your diapers. There's no way you can't manifest. It's simply a process of life. And life itself is activity. If there's no motion, there's

no life. It's inert; it's dead. Or it soon will be.

You say, "What if a thing's entirely paralyzed?"

The heart would have to stop. So therefore, it's not entirely paralyzed. Just a portion of it. There'll be a manifestation.

22 All right. He says now:

(11) The message (you) heard from the beginning, that (you) should love one another.

But the basic is this: what are you born of? Is there a place in you for the Word? Do you understand that Word? That's what makes the difference as to what you are. The other is an action. But you see, you're born with the spirit that God allows. And you can go different ways with that spirit. But that which is born of God, that seed, cannot sin, because it will believe God!

That's why the Jews rose up and said, "Don't you tell us that Cain is our father---the serpent's our father. That is not so."

And he said, "If you had God as your Father, you'd go right to that Word."

And then, you couldn't help but manifest there's a love there for each other. Now I'm hitting pretty hard here, but I'm sorry. That's all I know how to teach this Message. I'm not going to get sucked down the merry old road of fruit, because Bro. Branham said it is not fruit! It is not gifts! Then what is it? Better be something. Tell you in plain English, if you are a seed of God you have an affinity for the Word. And it doesn't shock you. It doesn't scare you. It makes you very, very happy. It intoxicates you.

23 (12) Not as Cain, who was of that wicked one, (see? And who's deeds) were evil.

What was the evil deed? Presuming to worship God apart from a genuine revelation! And going on his own word, which we will talk about here, that produces a hybrid. See?

(12) Wherefore why slew he him? Because his own works were evil, his brother's righteous.

(13) Marvel not, my brethren, if the world hate you.

(14) We know we have passed from death unto life, because we love (those who love and have the Word.)

Oh, I'm so happy, I've got lots of opponents, especially in the ministry. If I was loved by all those out there... Like I said, if everybody that talks about Presence, believes Presence, I'm going to have to quit preaching it. But the longer I live, the more I see many hardly have a clue to what we are talking about. Not trying to be anybody. Just telling you the truth, as I see it.

24 All right. Bro. Branham said: ["Spoken Word Is the Original Seed," 62-03-18]

[119] Now what I'm trying to say to you is: The law of reproduction brings forth of its kind.

He's talking about two sources. He's talking about offspring. There is God, Who's got offspring. So therefore, those children will be genetically of God. What about the devil? They will be genetically, as far as the devil can go, by the devil. Because remember, the devil doesn't have one thing except perverted Word. He never made up one Word. He never had one ounce of power, except what God gave him. He is nothing but the things of God perverted. And remember, there's nothing impure of itself, and all things are pure to the pure in heart. So therefore, if we ever got the Word of God in our hearts, and fully released, everything would take on purity. That's right. That's why I say we must have the Word of God and the life within it released more and more and more to get us where we're going. All right.

[119] I'm trying to tell you, Bro. Branham said, I'm trying to bring you to a place of understanding of species. Within the human race, within the world. And he said, what I'm trying to say is this, from a Genesis, there is a seed that accounts for every single thing that's manifested as a production. Without seed you can't produce.

[119] These last days, true church Bride comes to the Headstone, Matthew 25, "Come out and meet Him." Will be the super church, a super race. A God-race. See? As they near the great Headstone... Now that's not the Headstone, or the Capstone spiritual. This is the Headstone physical. See? And also, the closer you come to God by the Word, and the life of the Spirit, the more you get in divine church order. They will be so much like Him, even they will be in His very

image in order to be united with Him. Certainly! Certainly. What kind of a Bride do you think God's going to have for the Son? They will be One.

25 Now, what's he talking about? The Bible distinctly says, "He's not ashamed to call them brethren, because they are of one source." To begin with, then, they are of one source. Then, from that point on, the church coming up as Bride, comes more and more into the image. What is an image? An image is actually a pattern taken from an original. So therefore, man will come more and more into what God originally had in mind for him! And you know the last step is immortality! And once you're immortal, you're there. You're becoming more and more like Him through seven church ages of light. See?

[119] They will be the very manifestation of the Word of the living God.

Now that's what he says. Listen! In the last days there's going to be a super Bride church. She's going to be approaching the great Headstone, spiritually and physically. And, as she approaches in the spiritual, she becoming more spiritually like Him, and she becoming more physically like Him, because one of these days she's going to have to be immortal Light the same as He is. She'll be in His very image in order to make the Wedding Supper. She's in the Word right now in order to be in the "Invisible Union," at this particular time. And this church will be in His very image, to be united with Him, all the way through. It is prophesied in the Word and now confirmed to us that this is so. A Word Bride!

[119] They will be the very manifestation of the Word of the living God.

26 Now that doesn't mean she's going to be doing something to prove something that's already been proven! What it is, she's the fulfillment of God's Own omniscience, His Own plan, His blueprint. So she'll be the very manifestation of the Word of the living God, spirit living God---omniscient, omnipotent---Who had a plan. And the plan is what? A group or a race of God children that will be around Him for eternity. Now, listen.

[119] Denominations can never produce this. Watch! They will produce their creeds and dogmas mixed with the Word and bring a hybrid product.

So, what's he telling you here? He's telling you only the Bride has the true unadulterated Word, and she alone is the unadulterated child of Almighty God. The rest are bastards.

27 Now, let me find you something about illegitimate children over here in Heb 12:3.

(3) For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.

(4) Ye have not yet resisted unto blood, striving against sin.

(5) And have (you) forgotten the exhortation which speaketh unto you as unto children, My son, despise thou (not) the chastening of the Lord, nor faint when thou art rebuked of him:

(6) For whom the Lord loveth he chasten(s), and scourgeth every son (that) he receive(s).

In other words He doesn't let you get by with being slack or nonchalant or disobedient. He hauls you up short! He says, "You can't do that." You get under conviction. Now:

(7) If (you) endure chastening, God deal(s) with you as with sons; for what son is he whom the father (doesn't chasten)?

That means 'to train and put him through a rigorous course where he brings himself under obedience to God'.

(8) But if (you) be without chastisement, whereof all are partakers, then are (you) bastards, and not sons.

It tells you right there. Now, how does anybody get corrected? By being told what is right when they're already wrong. So therefore, correction is the Word. And, if you turn down the Word, which is the only correction God has, through His vindicated prophets, then you're absolutely illegitimate---bastard children. Creeds and dogmas! You've got to get rid of them. Produce a hybrid product.

28 ["Spoken Word Is the Original Seed"]

[119] The first son, Adam that was, was spoken Seed Word of God. Now he's speaking of the flesh. He was given a bride, a bride to produce himself. She fell. Produced himself, but she fell. (See, that's what a bride is given for to produce himself again another son of God, but she fell by hybridizing. See?)

All right. Let's look at that picture. Eve was in Adam, so therefore she was a part of Adam. She was a product of Adam; she was a part of himself. So therefore, if a part of himself and himself come together in a union, then Adam actually produces himself! Right? Certainly! Another Adam. What did she do? She messed up. She produced a hybrid child---part animal, because the seed was so close it could mingle. So therefore, as Bro. Branham said, she fell and caused him to die. Why? Because, then, he took her. He did a wrong thing.

[119] A second Son, a spoken Seed-Word of God, and he's talking about Jesus, was given a bride like Adam, but before He could marry her, and He hasn't done it yet, see, she has fallen also; for she was put to a free moral agency like Adam's wife was: to believe God's Word and live, or doubt It and die; and so what she didn't believe it, she died.

29 Now we find that over here in 2 Corinthians 11. I've read it many, many times. You know just where I'm going. And he says here:

(2) (I'm) jealous over you with godly jealousy: I have espoused you to one husband, that I may present you as a chaste virgin to Christ.

(3) But I fear, lest (any man) by any means, as the serpent beguiled Eve through his subtily, so your minds be corrupted from the simplicity that is in Christ. (So, she fell.)

[120] Then from a little group with the true Seed of the Word, now the little group with the true seed, coming right on down through all this great big mess, God will present Christ a beloved Bride, a Virgin, a Virgin of His Word. Because remember, Christ is the virgin mind of Almighty God, right there we see Him. And through them and by them will be fulfilled all that's been promised for His Word in the Virgin. What's the Word in the Virgin? The image of God, the likeness, and immortality. See? The Word in the Virgin, who knows no manmade creeds or dogmas. Now that's where your battle of Armageddon is. The big thing that's rough. The Word of promise in Himself like it was in Mary, God Himself made manifest...

Now he's telling you something here, how this actually works. Paul said, "We have this ministry." Now Bro. Branham here is reiterating what Paul said, there's a ministry that brings about the image of Christ, when you find yourself in that Word, and you find yourself being transfigured. Now, watch.

[120] The Word of promise in Himself like it was in Mary. He's using Mary as an example. God Himself made manifest...

30 Now, how did God make Himself manifest through Mary? He brought a virgin born body to birth and inhabited that body. Jesus was not schizophrenic, but He actually was two people. You can say what you want. Because Bro. Branham said that God left him in the garden of Gethsemane. And Jesus said, "My God, my God, why hast Thou forsaken me?" when previously he said God was in him. [End of side one of the audio tape.]

[120] God made Himself manifest... He will act Himself by His own Word of promise so to fulfill all that has been written of Him. As He did when He came from the virgin womb (type of the spirit now), so will the Virgin now, accepting His Word: "Be it unto me as Thou has said," though it was said by an Angel, or a messenger, while it yet was written Word.

31 Now, let's look at that in Isaiah, because Bro. Branham quotes it, Isa 9:6. And I think I know what he has in mind here, and I think I know why he didn't quote this... Let people get it themselves.

(6) For unto us a child is born, unto us a son is given: (unto us---Israel; unto us---Israel) the government shall be upon his shoulder: (and so on.)

Now, who did it? One single woman did it, and all the nation got it. And you're looking right here at Bro. Branham. That's one single prophet, to whom the Word of the Lord came, vindicated and

revealed, now does it all so that we, as a Bride, can have it. Just the same as Mary had to bring the Christ so the Bride could have Him.

[120] And Mary said, "Be it unto me as Thou has said," though even though it was said by an Angel, God Himself did not come down and say it, He sent an angel. And an angel is a messenger.

32 Now, listen. He's telling you something. He's letting you know this: it was something written in the Word, where God sent an angel! But you'll notice at this time, God Himself came down for His Own Word already written. This is that Word of prophecy made more sure that Peter speaks of, because here Bro. Branham, in talking of Mary, is talking about the inception---the beginning. We're now looking at the end. Now It says:

[120] They will love Him, and will have His potentials, for He is their Head.

Now, how many people have headship of Christ as Bro. Branham is talking? Nobody! It's a composite! The only one is the man standing there. There's man in Headship! [Bro. Vayle points to the picture of the Pillar of Fire over Bro. Branham.] There again is a picture of headship, that coming down. [Bro. Vayle points to the picture of the Cloud.] See? The prophet was the eye, and the last moving part of the body is the eye. Above it is the mind, which deals with the spirit. See?

33 Now:

[120] They have His potentials, for He is their Head, and they are His subjects, subject to His Head. Headship was Christ.

That's your 1 Corinthians 15 based on 1 Th 4:16, "The Lord Himself descend with a keleusma," with an order to the church, bringing the church into divine subjection. What will He bring it subject to? Himself! But what is He? He is the Word! What is He? He is the Life! What is He? He is the Light! What is He? He is the Salvation! God putting everything under the feet of Jesus. Why? Because you're looking at now the soon union of, not spiritual only Headship, but physical Headship! So the Bride now in the spiritual image is getting ready for the physical image. And notice in there, they will love Him. Certainly, why? Because they'll have His potential---and Bro. Branham demonstrated---because He is their Head.

34 In other words whatsoever the mind of God could conceive, the power of God could bring forth. So now, whatever was in the mind of Jesus the Christ has been demonstrated there and demonstrated there [Points to both pictures on the wall. by mighty vindication to show that He will now bring into manifestation the full potential that was vested in Him! And the full potential is New Jerusalem, with the Lamb on the throne and the millions of Bride, or hundreds of thousands Bride, and the millions outside, and the Pillar of Fire above the throne. The full potential. That's why time and eternity have blended, and there aren't any mysteries left! So, why are we banging our heads against the wall for this mystery, that mystery, this thing, that thing? Listen, we're losing out, my brother/sister. We're worried about the thunders having thundered and the seventh seal not opened, this and that, when Bro. Branham categorically said, "You've got everything you need to put you in a Rapture," and you can't rapture until you see Him. We've already seen Him. And you get changed.

35 [120] Notice, what harmony. Jesus never did anything until seen of the Father or the Father showed Him first. So will the Bride, and He shows Her His Word of Life (He shows Her), and she receives It. Never doubts it.

Now he tells you right there. What is he talking about? Jn 14:10. And we soon get it. So, we'll certainly know.

(10) Believest thou not I am in the Father, and the Father in me? the words I speak unto you I speak not of myself: but the Father that dwell(s) in me, he doeth the works.

(11) Believe that I am in the Father, and the Father in me: or else believe me for the very works' sake.

And He said down the road it's going to happen again but greater. He said, "Based upon the works, the Bride will know this is the Word, and she receives the Word." Now He's manifested and demonstrated the potentials! Once that's done, there's a Word! Now the Word comes forth. Now

there's nothing left except for God to completely energize the Word in the Bride.

36 Listen, this is what he said:

[120] So will the Bride, and He shows Her His Word of Life. See, there's a harmony between Christ and God and the Bride. An absolute harmony. See? Now, so will the Bride, He shows Her the Word of Life, she receives It. Never doubts it. What do you think of that? Are we qualified to be that kind of Bride?

Nothing can harm Her, not even death; for if the Seed be planted, the water will raise it up again. Amen. (I got a big "Hallelujah.") Here is the secret: the Word is in the Bride and the mind of Christ to know what He wants done with the Word, and She does it in His Name. She has "THUS SAITH THE LORD."

The Bride does not have "THUS SAITH THE LORD." The prophet has "THUS SAITH THE LORD;" and therefore, the Bride has "THUS SAITH THE LORD" in that relationship. And, when you see that, that's all you need. Who needs a bunch of "THUS SAITH THE LORDS?" You've already had it! Who needs vindication? It's already had it! You just use what's vindicated, which is the Word.

37 [120] Then it's germitized; so the Holy Spirit waters it until it is grown and serves its purpose. They do only His will. (Amen. I'll believe that.) No one can persuade them different. What's he talking about? Eve was persuaded different. They have "THUS SAITH THE LORD," or they keep still. See? Then they will do the works of God. For it is Himself in them, continuing His Word to fulfill as He did complete in His days.

In other words He didn't complete it. He didn't complete everything the first time He was here. He's going to do it now. And Bro. Branham said, "If the hand does it the body does it." Most people want to take this and run with it. Bro. Branham warns against it. They want to run and be some great person.

Listen. You know that's just as stupid as proving the Pythagorean theorem. So, what you do, you take your right angle triangle, and you say, "Now this is eight inches, and this is six." So, then, what you do, you take a square out here, and you make thirty-six here, and sixty-four there. Then, you make the squares on this here, and you add them, and you find...

"Hey look what I found out, the sum of the two squares, the square of this, that's the hypotenuse. Isn't that wonderful."

Oh stop it. That was found two thousand years ago---three thousand for all I know; just use it. Don't tell me, brother/sister, to build an electric light switch. Just give me the switch and I'll punch it. I wouldn't know the first thing about making an electric switch to do anything, and you're not much brighter.

So, what would you want some kind of special little vindication, some little thing for you? What do you want it for? Do we want to be somebody? Proves right now we would be in the wrong class. I don't need any vindication. All I need is to rise and shine, which, in other words, is to bear witness of the Light.

Now back to "Shalom."

38 All right. Let me read it to you now, on page 21, starting at 117. ["Shalom."]

[117] The great Light that hung in the wilderness when Moses forsook Egypt, esteeming the reproaches of Christ greater treasures than of Egypt.

[118] The same One that met Saul, and Saul recognized Who It was. Paragraph 120.

[120] The same Light has come. To what? The same Light, Bro. Branham said, has come to the Bride, which means has come to William Branham, and there it is right there. To what? To manifest, to make known to the people the promises that He's made for this day, manifested Light of the day. The darkness is darkened.

Just as soon as God came on the scene through a prophet and began doing the wonderful works, instantly, they had a wrong idea of what it was all about. It became dark right away. Oh, you can do that and do it better! Where's Oral Roberts today? Tommy Hicks is dead. Where's Clifton Erickson? Where is Tommy Osborne? Where's W.B. Grant? Where are they all? We have too many

Swaggerts and too many Bakkers. We have Bakkers by a baker's dozen, and Swaggerts right in there with them. But you know they came out of the oven half-baked. Like a loaf half-done, half-baked. They wouldn't stay and listen. Oh, they had it.

"We got it. Look at us. Why, Bro. Branham is peanuts alongside of me."

Is that a fact? Tell me when Jesus had anything? A couple of nice women made Him a nice garment. A few nice ladies helped him get a living---gave him a little food, a little bread, and a little bit here and there. The fox there had holes; the birds there had nests. The very One, infinite One, came right down and had nothing. And he died and they stripped him of his clothes and he hung there naked. So, the pope of Rome is the big shot, if you want to know who is. Jimmy Swaggert and these guys aren't even peanuts. The place he lives in, or worships in, and makes himself God, I understand is two billion billions. So, don't talk about material things, brother/sister. It just shows you're gross. Manifest the Light of day. Manifest Who is the Light. The little lights manifest who are the dark ones.

39 [121] When He came, he was the Light of the day. There was supposed to come a Messiah. And He came just exactly like God said He would come. And when He did, what was He? The Light of the day. And It pressed the darkness so against Him! Is that right? He had to give His Life that the Light continue, could shine. He was the Light of the day. But why, why was He the Light of the day? He was the vindicated Word that had been spoken, made manifest. Well, everybody should know that. See? Rhema and Logos---same thing.

[122] God said over this dark, gloomy, dismal, mossy world and stood there here without light, He said, "let there be light." And it wasn't light until that Word was manifested, then it was light. ["That which makes manifest is light."]

Rhema became Logos; they're one and the same.

"You mean to tell me without Rhema there would be any Logos?"

No, don't anybody tell you. The thing conceived must have a part of the conceiver in it. You just can't do otherwise. The more you see this Message, the more you'll associate yourself with God and the universe with Him. We have tried to make it abstract, a distant God. Paul the apostle said it true: "In Him we live and move and have our being. We are the offspring of God."

40 [123] He said, "There'll come a Savior, a Messiah." It wasn't manifested until He came to manifest that promise. In other words, until that came into evidence, manifested physically, it was just a Word of promise. But now it's vindicated, manifested. And, when He vindicated that promise, He said, "Search the Scripture, for in Them you think you have Eternal Life; and They are They that testify of me." And Bro. Branham has to say the same thing. That and that [Points to both pictures.] and everything he says has got to be in the Scripture. Now people won't believe that, but that's their business, not ours---yours or mine.

[124] They said, "We know not whence Thou comest, we are Moses' disciples."

[125] He said, "If you were Moses' disciples you would know Me," that's true. "For Moses wrote of Me." A true Lutheran would understand William Branham. See? A true Wesleyan and a true Pentecostal.

[126] And today, or this day, that we're living in now, God has come on the scene to vindicate and prove His promises. So, it's the Light [Points to the picture of the Pillar of Fire.] of the hour, so we can rise and shine. In other words the light William Branham, pointing to the great Light, sets us in harmony so that we now know that we're part of the Light. See? And we can testify to it. Testify to vindication, because the morning star rising is Christ amongst us, vindicated. It's what you see right there, "THUS SAITH THE LORD." Oh, the world doesn't want that. The Light shines upon us again today. What's he talking about? Matthew. The light that rose in the east is now come to the west. The Word is being made manifest. So, in other words, if God said, "Let there be light," and there was light; then He said, "Let there be a prophet Malachi... of Elijah come," and there he is; that is light. See? It's the Light. And He's rising with healing in His wings---immortality.

[127] Just like that light's shining out there, the sunshine, this morning. That's God's spoken Word, there's nothing else can give light like that. God said, "Let there be light," created the sun to rule the

day. The moon to rule the night and the stars. Very good. God spoke it; that's what happened. See? Now he's likening to it. That's God's spoken Word, there's nothing else can give light like that. And there's nothing else that can give light like a vindicated Word. See? There's nothing can do it. Any artificial light burns out in a little bit, that's your creeds and dogmas, the bulbs and everything else. But that Light never fails, for it's the spoken Word of God made manifest.

In other words, when you know that you've got "THUS SAITH THE LORD," and you've got a real vindication, you don't have one worry from that time on. You've seen the Light. You've seen the glory of God. You've seen God. Your questions are settled.

You say, "Well, the point is, there's a lot of things I don't understand."

What's that got to do with it? Nobody told you to testify to that. Nobody told you to rise and testify to the fact that God has come on the scene and vindicated Himself once more. As Bro. Branham said, "My ministry is to declare that He is here." And you can tell that over the country, they haven't got an idea. They absolutely don't have an idea what's going on. See?

41 [128] Now, little denominational creeds will burst a bulb, and blow a bulb, knock a fuse, and everything else. But the Word of God shall never fail! It'll be Itself, always, the Word.

In other words It stands right there vindicated. And don't you think for one minute It's going to change either Itself, or Its meaning, or its course. Uh-uh. Though a butterfly bring It, that Word of God is a bulldozer. He's everything up in front of It. It's so powerful---atomic; It will dissolve the very earth.

[130] Rise, and shine, for the Light has come. The Word, Light, is vindicated.

We read that already in Ephesians 5. Let's go back, beginning at verse 6.

(6) Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience.

Why is God going to bring on the Great Tribulation? Because a bunch of churches perverted It! A bunch of church members! Read It for yourself! Vain words, false hope, traditions, ideas apart from Truth.

(7) Be ye (not) partakers with them.

(8) For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: (In other words, walk out!)

(9) (For the fruit of the Spirit is in all goodness and righteousness and truth;)

Now this is the thing that Bro. Branham finally had to resolve that it wasn't the fruit as in Galatians! This is another fruit.

42 Okay, let's look at It. Galatians 5, that's going back.

(22) But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith,

(23) Meekness, temperance: against such there is no law.

[Ephesians 5:9]

(9) (But) the fruit of the Spirit in all goodness and righteousness and truth;

And Cain was unrighteous! So, you've got a revealed Word laid down that you don't dare worship apart from! And these Pentecostal churches pass around a loaf of bread and break a piece off. They can't even do the Lord's Supper right.

(10) Proving what is acceptable unto the Lord.

(11) And have no fellowship with the unfruitful works of darkness, but reprove them.

It's not a matter of saying, "Hey fellow, let me tell you, you shouldn't smoke cigars, you shouldn't commit adultery, you shouldn't do this, you shouldn't do that, you ought to do something, this, this, this!"

You say, "Brother, do you know the truth of the revealed Word of God?"

That's where this church has got to stand. I don't care what other fruit we manifest or don't manifest, because you can manifest everything else and not have Truth. And, don't you try to hybridize It. I've warned you time after time. Told some of you personally: don't fool with certain things!

43 What's the unfruitful works of darkness? What does it mean unfruitful? They've got fruit, but it's

unfruitful to God! It's cursed! God said to Cain, "The fruit of your hands is cursed!" The earth is cursed. And the more people get into 'churchianity' as Bro. Branham taught us, the more curse upon this earth! More Alaskan oil spills; more radiation pollution. You'll be eating food that's radiated, very soon.

I'm absolutely, almost absolutely, certain that what I'm getting right now is papayas out of Hawaii that are radiated. That's why they're no good. They look yellow, but they're tough as a brick. And the government's just looking out... You know the government will grab you. They're even going to try to take ginger away from you---from the health foods---because people say ginger makes your stomach warm. Only the doctors are supposed to prescribe... And ginger's not a drug. But you watch, they're trying to do everything they can to bring on more and more and more pollution to more and more to destroy!

Let's understand this: this is a time to rejoice, because we're getting out of here! The righteous shall not die with the wicked; God's curse is upon the church. And the church is causing this! See? But this is the reason that Russia is playing nice right now. But they've got a bomb for the church; don't worry.

44 Now: unfruitful works.

(12) (It's) a shame even to speak of those things which are done of them in secret.

You just don't know how far they're going to go, until it becomes a lustful, rotten thing. A naked woman dancing in a Lutheran church unto God. Yeah. All around it. Why didn't the Lutherans come out and blast her plumb into eternity? Look at the Pentecostals. We could tell you plenty about them, too.

(13) But all things that are reprov'd are made manifest by the light: (You want to know what God says about this and what the truth is? God will vindicate it.) what(ever) doth make manifest is light. (It's been manifested right there.) [Points to the picture of the Pillar of Fire.

(14) Wherefore he saith, Awake thou that sleepest, and arise from (amongst) the dead, and Christ shall give thee light.

He said, "Stir yourselves; there's a way to get away from the wrath of God, just before the blast of the great Tribulation comes."

"Come out from among them; be ye separate," saith the Lord God.

(15) See then (you) walk circumspectly, not as fools, but as wise,

(16) Redeeming the time, because the days are evil.

(17) Wherefore be ye not unwise, but understanding what the will of the Lord is.

(18) And be not drunk with wine, (instead) be filled with the Spirit;

(19) Singing (Listen, how does he do it? Singing) in psalms and hymns and spiritual songs, In other words the Bible made melody is the conduit of the Holy Ghost. In other words, as you get a good attitude toward the Word of God and enjoy It and love It, the more and more the Holy Ghost flows into your being, causing you to walk right and straight.

(20) Giving thanks always for all things unto God the Father in the name of (the) Lord Jesus Christ;

45 Notice. He says in paragraph 131.

[131] The only way, as God was, in other words, God can't change. So what He ever did He'll do again. Jesus Christ was the manifestation of God's spoken Word. He said, "Let there be light," light came. "Let there be a Savior," He came. The Bible then teaches how He came. And Bro. Branham gives us a thorough description.

[132] John the Baptist was the Light of the hour. He was the Light before Jesus was Light. That's that little light, see? The prophets in Isaiah said, "A voice of one crying in the wilderness, prepare the way of the Lord, make straight His path." That was the spoken Word of God, It was lying there, hadn't come to life yet. Malachi, the last prophet, four hundred years before it taken place, he said, "Behold, I send My messenger before Me, to prepare the way of the Lord." Here came one out of the wilderness, without denomination, without creed, without identification. But his Light identified him. He said, the Word identified him.

46 Let's go back to Jn 5:33-39. And It says:

(You) sent unto John, and he bare witness unto the truth. (There you are; that's the Light! That's what we do. Who's the truth? Jesus.)

But I receive not testimony from man: but these things I say, that (you) might be saved. (Notice.)

He was a burning and (a) shining light: (you) were willing for a season to rejoice in his light. (But they didn't like when he said, "There's the Lamb of God that taketh away the sin of the world." But He said,)

I have (a) greater witness than that of John: for the works which the Father hath given me to finish, the same works that I do, bear witness of me, that the Father hath sent me. (Now, listen. God gave Him certain works to finish. But that didn't mean everything was finished. Just at that hour.)

The Father himself, hath sent me, hath borne witness of me. (You) have neither heard his voice at any time, nor seen his shape.

And ye have not his word abiding in you: for whom he hath sent, him (you) believe not.

Now Bro. Branham was sent from God to us. To turn him down shows exactly what that person is. There is no place for Word in him. There is no Word in him. Creeds and dogmas, yes, but no Word of God.

(38) (For) ye have not his word abiding in you: for whom he hath sent, (you) believe not.

Search the scriptures; for in them (you) think (you) have eternal life: and they are they which testify of me.

The thing is, how much time did people put on Bro. Branham and his ministry and go to the Word? The minute he said something, they denied it. They blasphemed the Word. They blasphemed God. It was finished.

[132] They said, "Are you the Messiah?"

[133] He said, "I'm not!" That's John the Baptist. "But I'm the voice of one crying in the wilderness, 'Prepare the way of the Lord!' Prepare for the Messiah.

[134] Jesus said, "You did walk in his Light." He was a bright and a burning Light, shining Light for a while. Why? Until the way was prepared, then his Light went out.

All he could do was prepare a way. That's all William Branham could do, is prepare a way for the Word; then by the grace of God bring the Word. And he said, "From that point on I must decrease and He must increase." And that's exactly what happened. See? Now, his Light went out. Why? Because the law was given until John, but grace and truth came by Jesus Christ. And remember, you cannot have grace without truth, because grace without truth is disgrace. It's presumption.

47 [135] You can't walk in that light, you Baptists...

Because they say they come from John the Baptist. Dr. Carrell did. You talk about a ridiculous book. He said, "We're not even Protestants. We go back to John the Baptist."

He's irrational. He'd have to trace his ancestry back to John, and John was celibate! He never got married! Oh my! That's the pope; he'd have to trace himself back to Peter. Well, Peter was married. Find out who his kids were. That would be a joke on you. Not a record of having any kids. He had a wife but no children as far as we know.

[135] You can't walk in that light. This is the Light of the hour! The Light has come. Rise, and shine. The Word, Light. Word, the manifested Word of God (identified) is Light.

In other words, that which manifests is Light. All right? The thing is, if that which manifests is Light, it is the Light. What are you going to shine that Light on that you're supposed to be looking for? The Word. Search the Scripture. The prophet brought It.

48 [136] Now, what about the new year we're facing? We could have more to say on this in-between, from the darkness to the Light, introducing the Light coming between, but now we want to get right straight to the new year.

And that's a good place to stop right there, because now he goes from Light to the New Year.

Let's rise and be dismissed at this time.

Most gracious kind heavenly Father, we thank You again for Your love, and mercy, and grace which you bestowed at this hour. We're a very, very privileged people, to know that we've stood in the

Presence of Almighty God and His prophet and seen that which was manifested before us, proving, Lord, there is something here in this hour for this people. And Lord, we don't claim for one minute to have gotten even anywhere near it, but we're standing here knowing that there is something here, and it's shining on us, and we're reflecting back in a measure to know and believe in our hearts that we're some part of it. Whether we're the complete part of it as we want to be, or just friends of the Bride and the Bridegroom, then that's something that You alone know, because we know "the foundation of God standeth sure having this seal, the Lord knoweth them which are His." But we also know this, that "the sheep know the Voice," and that gives us great consolation and encouragement at this time to believe we are following the Voice that has been heard, the Voice that came from heaven, down here upon earth speaking one last time. The consuming fire Himself is here. And He Who is here has positively made the difference.

And Father God in heaven, we believe our lot lies in pleasant places, because we believe we stand with Abraham of old, recognizing the day, the hour, and that which is pertinent to it. We stand here recognizing, knowing soon that Sodom must burn. Certainly it will, but we stand here in righteousness by Your grace and only grace; and that because of kinship. Not fellowship, but kinship. But thank God there is fellowship, through Thee O Lord, we will make it on that great day, sons of God, joint heirs with Jesus Christ.

Hasten that great day, Lord, no matter what comes upon earth. May we be glad to see all these things take place, because we know absolutely they must take place, and as they come to pass we know that as darkness deepens, the light is all the more intense. They talk about the black holes out there, massive things for all we know. They're of tremendous weight so that no man can figure it. But Lord, it's not like the laser---the laser, Lord, light agitated in the gem, the great ruby. That Light pouring through the stone, the precious Headstone Christ, burns a hole through anything. That Light is come, concentrated in a Bride. Thank You for Your Light, Lord, searing and burning out all the things of the world, sanctifying us holy unto Yourself. And again we say with the prophet: "If we're not Bride, there's a Bride out there somewhere" getting every single thing that we're talking about, Lord, as we believe revealed by the prophet. And we won't want to stand in her way. But Father, somehow we still hope and believe, because we know this much: we haven't known this in vain but You're here to take us all the way through.

Grant Your great peace and Your exaltation of Christ in our midst as never before. May we shout with an inward shout, Lord; and, if it pleases You, may we have an outward shout, too. Let the rafters ring, O God. It doesn't matter to us. Let the building even be shattered, as it were, with the praises, tumultuous praises from within our hearts and from our mouths, if it gives You glory. But let it not be a shout, except it be to give Thee glory.

Help us in all these ways, Lord. Direct our paths, Father God, but direct above all else our minds that we may have the fruitful works of righteousness. This is what we pray. This is what we desire. We thank You for it. Heal the sick amongst us. Thank You for healing those, Lord, prayed for on Sunday. We know some have been healed already, and we know more will be healed. We thank You for it, and we just pray, Lord, that there will be a concentration now of Your saints and Light as never before. Help us all to this end. In Jesus' Name we pray. Amen.

'Take the Name of Jesus With You.'
